The Baseball Diamond

The baseball season was opened in Markdale on Wednesday afternoon of last week by a game between Dundalk and Markdale in which the former were victorious by a score of 13 to 5. The first four innings were scoreless while the focus was upon the last innings when the visitors ran in seven which put them in the lead and won the game for them. Harold Bowler pitched for the locals and Jim Sullivan and Cliff White, while Harold Bowler pitched for the visitors. The supporters of the team are well pleased with the showing made in the first game and hope that before the season advances very far the youngsters will have stood down. Messrs. Geo. Aikens of Flesherton and A. E. Buchanan of Vandeveler gave an entire satisfaction as umpires. There was a good crowd in attendance. Vanleuler plays at Dundalk on Wednesday of this week, and Flesherton at Kimberley on Thursday.

Grey County Council

The session of Grey County Council held on Monday evening, June 21st, was a very busy one. The County Roads Committee will spend about \$100,000 on the roads over the county, which amount must cover the cost of four bridges, three of which were destroyed by the spring floods. Urban improvements were discussed pretty thoroughly, but no work will be undertaken by the Council in 1926. The usual grants to various institutions were passed and it was decided to erect a cottage at the Home for Aged and Infirm here.
