Meet

Away from the more travelled highways you'll find a beauty spot - rocky glens, nodding hills, the light of cool water over sun-lit pebbles - a spot where nature comes very close to man.

Drive moderately, both on the main highways and on the country roads. Excessive speed wears away road surfaces. The repair bills must be paid by you and the other motorists. Remember the roads are yours.

The Government requests the assistance of all motorists in maintaining the good condition of the roads. To those who will not heed, it points out that the law against fast driving is being rigidly enforced by a numerous traffic patrol.

THE HON. GEO. S. HENRY, Minister of Highways. S. L. SQUIRE, Deputy Minister.

Issued by the Ontario Department of Highways to secure the co-operation of motorists in abating the abuse of the roads of the Province.
