Two college grads, had adjourned to the locker-room to discuss old friends.

"Old Red? You bet I do! He's with Bywater Electric up at Sandhill? I only see him about three times a year, but we're in touch all the time. He's as careless about letter-writing as he always was, but I telephone him one week and he telephones me the next. A lot of other fellows are up there too — it seems as if we have a long distance class reunion every Thursday night."
