Presentation to J. T. Miller

At Rocklyn on Wednesday evening the Councillors and Officials of Euphrasia took advantage of the opportunity at the annual fowl supper given by the Reeve, to make a presentation to Mr. John T. Miller, who, at the end of this year, is retiring from the Reeveship after having served for 14 years in that capacity. He was also this year the Warden of Grey County. The address, which follows, is self-explanatory:

Rocklyn, Ont., Dec. 1?, 1926

To Our Worthy Warden and Highly Esteemed Reeve, Mr. John T. Miller:

Gathering with you to-night at this little annual fowl supper that you have so generously bestowed upon us, reminds us that your term of office is expiring, much to our regret. But we cannot let you vacate this chair without in a few words trying to express what this loss means to us. Since you feel that your hour of glory has been reached and your years advancing, we cannot ask too much and quite readily agree that you deserve a rest from Public Life.

Let us say Mr. Miller, that you deserve our profoundest respect, having now faithfully closed your 20th year continuous work in our Municipal Council. This truly shows how diligently you have worked and we feel your achievements are worthy examples to your successors.

In your long span of years from 1896, when you first entered our Municipal Council you have had one of the best opportunities of reaching all people for worthy projects and have found their thoughts, feelings, peculiarities and needs, but you have been well equipped to meet all and zealously have you worked to fulfil your many duties. Dangers often lurked in your pathway, but these were overcome by your capable leadership. Perhaps these only tested your strength, at any rate you have struggled through.

You have contributed much to the betterment of our Council, Township and County. Many times have you been sought as a refuge in trouble. We always found you trying to do your best for all concerned and readily make allowance for any little disappointment or failure.

You have held the office of Councillor for three years, second Deputy-Reeve for two years, and the balance held the Reeveship. Last year when your imagination fairly soared in contemplation of the time when your one great aim would be reached, we too were with you and went forth rejoicing at the glad tidings that John T. Miller was "Warden of Grey County." This has renewed our hopes for continued advancement for our township.

In this new office you were thrown upon your own resources where you were to become famous or notorious; we congratulate you on the former.

An old adage is "Genius is the Power of working hard, and long, and well." We therefore feel yours has been the work of a Genius, having the honour of being the oldest member of the County Council. You have proved to us that success in life depends not on talents, but "Will".

On you the success you rests the burden of carrying on the work of our Country in the best way. Everywhere we find you have shown respect for custom and authority, one of your strongest incentives being the prompting of effective work.

It is well for us to remember and ponder on it, how steadfastly, devotedly and thoughtfully you have worked for our Council, and in so doing it may remind us of own duties as men and citizens of our country. Your task has been difficult, but you have fulfilled it, and may we add "Well Done."

We therefore ask you, Mr. Miller, to accept this upholstered chair and when the evening of life comes may you sit by the fireside in your cosy home and recall to mind the happy memories of the past chairs you have held and familar faces gathered round the Council Board with you.

We hope as you advance in years, life may be sweetened and hallowed by a knowledge of a busy life well lived. Our brightest wishes accompany this.

Signed on behalf of Council and Officials.

"I Had Billious Attacks and Stomach Weakness"

Mrs. Wm. Robinson, Yonker, Sask., writes:

"I suffered from stomach and liver trouble, and used to have billious attacks so bad that I could do nothing for weeks at a time. My stomach would be so weak that not even a drink of water would stay on it.
