Jones can handle Forbes' call

When Robinson calls the Henderson Co. by Long Distance he always asks for Mr. Forbes. That makes it a Person-to-Person call. Forbes is often out. Sometimes it takes quite a while before the operator can get him on the wire.

There are three other employees in the Henderson office, thoroughly posted on the details of the business, who could give Robinson the information he wants. One of them could always be reached by a Station-to-Station call, costing about twenty per cent less than a Person-to-Person call.

It is worth considering, before you make a Long Distance call, if Station-to-Station service will not give you what you want.

Here and There

When the internal trouble has been devastating Ca[illegible] last two years subsided, a tremendous market will open up for Canadian wheat in that country, according to J. E. Scott, representative of a large British firm at Hong Kong on his way back to London to report.

Bounties paid for bob-cats in New Brunswick, by the Department of Lands and Mines, have so far exceeded the figures for the corresponding period of last year, according to L. A. Gagnon, chief game warden, who states that wild cats are being killed in greater numbers each year.

Ontario buyers of milk cows have about completed the purchase of five carloads of Guernsey cows from Colchester, Cumberland and Pictou counties. The buyers are Anderson Brothers and Messrs. Graham and Calder from the Hamilton districts.

The first auction sale of horses that has taken place in Montreal for some years was opened at the East End Stock Markets, March 28. Stabling was put at 262 horses and it was stated that approximately 200 horses were sold. The demand was mostly for heavy draught horses, Percherons, Clydesdales and the like, for carters and for lumbering purposes, coming chiefly from Alberta and Saskatchewan, and some from the middle west.

Consequent upon an agreement reached at a general conference of Canadian and United States telegraph companies the Canadian Pacific Telegraphs have announced that code words will be accepted at all their offices in future for day and night letters. This departure will affect both Canadian and international business, the companies concerned being: the Postal-Telegraph Company, the Canadian Pacific Telegraphs, the Canadian National Telegraphs, and the Western Union Telegraph Company.

The development of a new industry from the propagation of muskrats and other water fur-bearing animals in land and water areas, leased from the Province of Alberta through agreement with the Dominion Government, was indicated by Hon. George Hoadley, Minister of Agriculture, in committee discussion in the Alberta Legislature. The amendment would give the Government power to regulate and license fur and game farms, and to lease the Dominion water and land areas for the propagation of such animals.

A keen competition to find the Nova Scotia world's champion girl's and butter producer has been discovered at Fox River, Cumberland County. Mr. Harry S. Estey of the place, claims that [illegible] champion dairy [illegible] her class. The [illegible] shire and Durham [illegible] just recently [illegible] she produced [illegible] 1 champion [illegible] delighting [illegible] of milk and [illegible] and [illegible] making keen interest.

Following upon his appointment to the [illegible] Toronto firm of architects [illegible] employed in connection with the [illegible] Hotel in that city, E. W. Beatty, Chairman and President of the Canadian Pacific Railway, recently stated that Messrs. Sproatt and Rolph had been appointed associates with the firm of Ross and Macdonald, of Montreal, to handle this work. Messrs. Ross and Macdonald have been employed in Canadian Pacific work for some time, the most of their buildings being the company's new hotel at Victoria. It is desired that [illegible] shall be in keeping [illegible] type of [illegible] city in which it [illegible] the department of [illegible] of Toronto architects is known [illegible] to do.

A shingle that's different from all others

Heretofore there has been only one Johns-Manville Asbestos Shingle, distinguishable by its rock-like hardness.

Now you can get many of the extraordinary merits of that famous Johns-Manville rigid shingle at a reduced price—in fact within a few cents of the cost of so-called composition shingles—through the introduction of

FLEXSTONE
The Slate Surfaced Asbestos Shingle

Made of Asbestos felt densely impregnated with asphalt and surfaced with crushed red, green or blue-black slate, in two styles; Individual Shingles or four in one Strip Shingles.

Flexstone Asbestos Shingles are mineral through and through and should not be confused with ordinary composition shingles. Flexstone Asbestos Shingles assure the user greater fire safety and more years of service with lower upkeep cost. They are approved and labeled Class "B" by Underwriter's Laboratories, Inc., and take best rates of insurance.

Write, call or telephone. We'll be glad to give you further particulars and prices.

Town of Orangeville Mulcted in Heavy Damages

An action was tried at Orangeville on March 29th before Justice Logie of the Supreme Court at the Sittings of the Assizes without a Jury in which the Town of Orangeville was mulcted in the sum of $1750.00 and costs. Mrs. Joseph Irwin of Orangeville, while walking with her daughter on Falconer Street on the 11th of November, 1926, on her way home from Broadway Street after shopping, was seriously injured due to the defective condition of the sidewalk. The walks in the Town of Orangeville are almost entirely of cement. On Falconer Street, opposite the lane, two small culverts about one foot in width were constructed through the sidewalk over the top of which a plank is set in and supported on either side by the wall of the sidewalk. The cement, through wear and tear, had crumbled and a large portion of the support had given away. This condition had existed for some time. To anyone walking on the sidewalk when the plank was in position, the sidewalk appeared to be perfectly safe, but if one stepped on the plank at a certain point it would tip up. On the occasion in question, the daughter stepped on the plank and it flew up and tripped her mother pitching her forward on the sidewalk and severely spraining and fracturing her ankle joint. In consequence of the accident she has been laid up for the past four months with the possibility of some permanent injury. After the hearing of the evidence Justice Logie decided that the sidewalk was out of repair as well as being faulty in construction and entered judgment for the Plaintiff, Mary Irwin, for $1500.00 and for her husband, Joseph B. Irwin, for $250.00 together with the costs of the action. W. D. Henry of Markdale appeared for the Plaintiff and H. B. Church for the Defendant Corporation.

Eugenia

(Special to The Standard.)

Those who are making maple syrup report a good flow of sap this year.

Mr. and Mrs. Roy McMillan and babe of Markdale spent Sunday with Mrs. M's. mother, Mrs. Wilson.

Mrs. Tilos. Lever and daughter, Miss Gertrude, of Flesherton were Sunday visitors with Mr. and Mrs. Chas. Martin.

A concert under the auspices of the Ladies' Aid was held in the Orange Hall on Friday evening last. The proceeds amounted to around $15.00 which will go to aid the Sunday School.

The stork took a flying trip over the village on Sunday and presented Mr. and Mrs. Robt. Laughlin with a baby boy. This being the first baby in Flesherton and vicinity since April 1st it received Mr. Thos. Findlay's prize of a high chair. Congratulations.

Sorry to report Mrs. Ernie Proctor on the sick list. Hope she regains her usual good health again soon.

Mr. McCannel of Proton was a Sunday visitor at Mr. Donald MacDonald's, 8th Line.

East Berkeley

(Special to The Standard.)

McCauley Brothers are busy buzzing wood in our vicinity.

The friends and neighbors of Mr. and Mrs. Jas. Connell held a successful shower at the home of Mr. C. McCauley recently, presenting them with a miscellaneous shower to show their sympathy to Mr. and Mrs. Connell whose home was burned on March 17.

Mr. and Mrs. Fred McMullen and Jack and Muriel of Flesherton visited with Mr. and Mrs. Gordon Steer recently.

Mr. and Mrs. John Steer spent the week-end with Mr. and Mrs. Sandy Murray of Blantyre.

Miss Fee spent the week-end at the parental home Holland Centre.

Mr. Jack McNabb is engaged with Mr. J. Connell for the summer.

Mr. Wilfred Dennison spent Sunday with Mr. Thos. Dennison.

McLAUGHLIN-BUICK
sets a value that always is the
Standard *of* Comparison

McLAUGHLIN-BUICK comes comparisons. Select any [illegible] you wish—compare it point by [illegible] with McLaughlin-Buick. Compare [illegible] long-standing and stability of its manufacturers—the extent of its resources—the number of cars produced—the number of cars in actual service today—the excellence of its engineering principles—the number and quality of its mechanical features—the provision made for the comfort and convenience of passengers—the quality of the craftsmanship and [illegible] work—the reputation and prestige it enjoys—the price for which it sells—and the value which it represents.

Compare any or all of these things. Select any measure by which you can judge a car. And, then, from the facts in the case—draw your own conclusions. Base upon such comparisons that McLaughlin-Buick supremacy has been established.

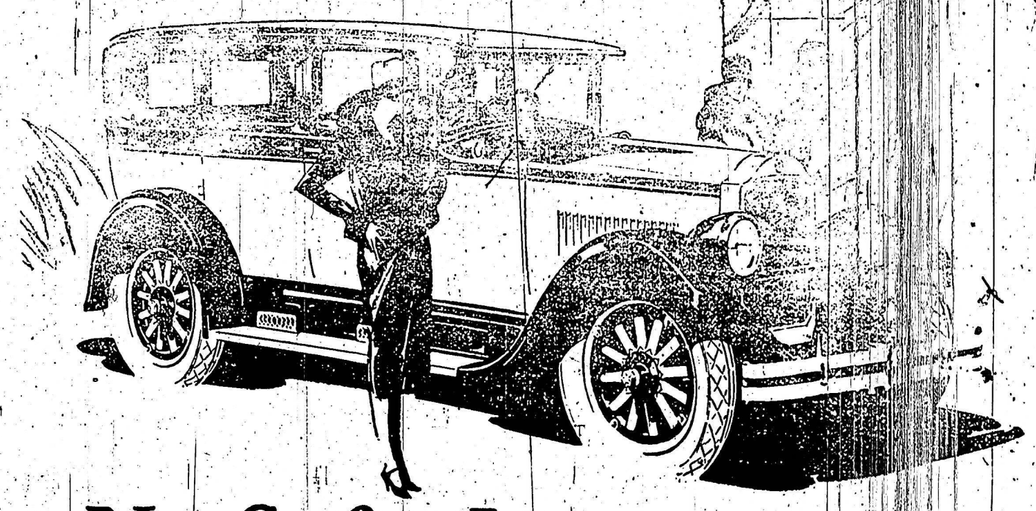
The Aristocrat!



No Safer Investment—
than a New Star Car!

THERE is no automobile at any price that can be regarded as a safer investment than the New Star Car.

There is no automobile at any price that can offer more quality per dollar.

There is no automobile at any price that has a proportionately higher re-sale value.

Here are the reasons:—

First—because Durant Motors of Canada, Limited, is operated by Canadians along safe, sane business lines.

Second—because Canadian workmen of the highest calibre are equipped with the most efficient machinery and supplied with the finest quality materials.

Third—because stabilized policies mean fewer changes in price and style, while quality in workmanship and materials means more miles of service.

New Star Car Features
Red Seal "L"-head Continental Motor
Full Pressure Lubrication
Morse Silent Chain Drive
Whirlwind Acceleration
Locomotive-type Gearing
Cold-Riveted Chassis Frame
Super-Sensitive Steering
Thermostatically Controlled Cooling System
And Other Quality Features
Nation-wide Service Facilities
