MR. MacNAIR GIVES HIS EVIDENCE

FINDS "FRUIT-A-TIVES" BEST CORRECTIVE FOR CONSTIPATION

MR. S. MacNAIR.

Mr. S. MacNair of New Mills, N.E., is one of the thousands who owe much to "Fruit-a-tives". For a letter he wrote the simple truth as follows: "I suffered from constipation for years and I have tried [illegible] but found that they only gave temporary relief. Then I tried "Fruit-a-tives" and found them quick and effective. I have no hesitation in recommending "Fruit-a-tives" to everyone suffering from constipation."

"Fruit-a-tives" is the ideal remedy for constipation. Made from the concentrated juices of fresh fruits combined with tonics, it is a natural medicine. It is not habit forming.

Don't let constipation plague you. Get back the bloom of health, the sparkle in your eye, the feeling that life couldn't be better. Begin at once, with "Fruit-a-tives"—25c and 50c a box anywhere—everywhere.

How far will your car go *before the miles begin to tell?*

ALMOST any car will give you satisfactory results for the first 10,000 miles or so.

But if you want the same fine service from the second, third and many following tens of thousands of miles, buy a McLaughlin-Buick!

Accurate tests at the great Proving Ground of General Motors, where all cars are driven and examined, show McLaughlin-Buick's sturdy construction and Overhead Valve-in-Head Engine still gaining in efficiency at the point in miles where other cars are rapidly losing their grace.

It is the care in McLaughlin-Buick design, tests at the Proving Ground to be sure a suggested change is right—the search for better and more durable materials, constantly carried on—which are responsible.

Ehormous volume and its savings make possible this extensive research and McLaughlin-Buick precision construction.

McLaughlin-Buick cars are built for long life—see on their speedometers—for greater satisfaction to Owners. Buy one for years of exceptional service.

The New Star Car is Canadian built and conforms to a standard of quality that is essential for Canadian weather and road conditions.

Its re-sale value is higher than other motor cars for two reasons, *first*, because of a stable factory and sales policy; *second*, because the number of Star Car owners desiring to sell is proportionately smaller than that of any other automobile in its class.
