The warm weather and the refreshing showers the past few days has made a big change. Seeding operations are being rushed and everything looks favorable for a good year.

One of the inmates of the Grey County Home for Aged and Infirm, a woman about fifty years of age, has disappeared from the home and has not yet been located. She is wearing a long dark dress with brown sweater and has no hat. Her hair is cut short and is grey. Any person seeing such a person will confer a favor by telephoning to the Home, Phone 5, Markdale.

The Provincial Highway was, probably badly broken on the surface in spots where the frost had penetrated the roadbed. On Sunday in one place a little north of Dundalk a good many cars were mired and had to be pulled out by horses. The service in this connection was splendid and we have no doubt that the engineering owners profited as a result of the condition of the road.

Mr. Arthur J. Robinson, a nephew of Mr. John Hannah of this place, and Messrs. Ab- and Robt. Hannah of Holland, passed away at his home near Dundalk on Sunday after an operation for stomach trouble. He was a very fine type of young man and his early passing is regretted by a wide circle of friends. His mother, a brother, a sister, a young widow and a little son survive.

In the storm Tuesday evening the big steel barn belonging to Mr. M. McCauley, near Holland Centre, was completely wrecked by the wind. Considerable damage was done to the orchard and the windmill was also wrecked. The barn belonging to Mr. D. McCauley across the road was damaged considerably also. The loss for the McCauleys will be considerable as the insurance will cover but a part of the loss.

Mr. J. B. Nelson, assistant Agricultural Representative for Grey County, has received notice of his appointment as Representative for Peterboro County, with headquarters in the city of Peterboro. He takes over his new duties June 1st and will be leaving Markdale about the middle of May.

Mr. Nelson is a good man and has become popular with the people all over the county. His removal is regretted by many in town, but all are pleased to learn of his promotion.

Mrs. R. T. Knowles, a former resident of this locality and a daughter of the late Mr. and Mrs. William Cunningham, pioneer residents, passed away at her home at Bracebridge on Wednesday, April 13th, after an illness extending over several weeks. Her daughter, Mrs. (Rev.) Wm. Coutts of this place had been with her for some time and was present when she passed away. Mr. Coutts and Mrs. F. J. Ritchie, a sister of Mrs. Knowles, motored over to Bracebridge for the funeral and Mrs. Coutts returned home with them on Saturday. A more extended obituary notice will appear next week.

Our columns are pretty badly crowded with advertising this week and we are compelled to add a great deal of matter until next week.

The dance Monday evening under the auspices of D. Compas, 31st Regiment, was well attended and was a most enjoyable affair. A Toronto orchestra supplied excellent music.

Mr. John Fadden has disposed of his residence on Eliza street to Dr. Turner, the Veterinary Surgeon, who will move his family here from Mono Road in a week or so. Mr. and Mrs. Fadden, we understand, will go to Toronto to reside.

The members of Saugeen Lodge, No. 327, I.O.O.F., are reminded that arrangements have been made to attend service in Cooke's church, next Sunday morning. The brethren are asked to meet in the lodge room at 10:30 o'clock. All members of the Order as well as those belonging to the Canadian Odd Fellows are asked to attend.

The Whiteburn family of Holland township were doubly bereft during the past week. On Friday Mrs. Wesley Whiteburn passed away and on Saturday Mr. John Whiteburn, the father, died. A double funeral was held at Markdale cemetery on Monday and was very largely attended. This makes four deaths in the family within two years. They surely are having their share of sorrow.

Mr. and Mrs. J. H. Stephenson and family are leaving this week to take up residence in Wingham where Mr. Stephenson has established a good business in the jewellery line. The Stephensons have been good citizens and their removal from town is regretted. About thirty years ago Joe Stephenson came here from Elora as a young chap and established a jewellery business which he conducted successfully until about a year ago.

When he sold to Mr. H. Melnis, in his younger days he was active in athletics and was one of the good players on the old Aberdeen lacrosse team. Later he was active in advancing the welfare of the community and was a member of the Village Council for several years and also served as Reeve of the Village. He has always been progressive and his removal along with the family is a distinct loss to the village. May they continue to prosper in their new home.
