Dear Ruby,—We, your friends and neighbours, have gathered to spend a social evening with you and to express our best wishes for your future happiness and prosperity. We have always found you a genial, thoughtful and obliging person, and we are sorry to lose you from our neighborhood. We are glad, however, that you have decided to make your new home near us. As a tangible expression of our esteem and best wishes we ask you to accept this miscellaneous shower.

The evening was pleasantly spent in games and dancing.

The gathering and the gifts betoken the popularity of Miss Shaw in the community and she may well feel pleased with the honor done her.

Vandeleur

(Special to The Standard.)

This apple blossom time in Vandeleur church on Sunday afternoon. Divine service was held in Ebenezer church on Sunday afternoon and will be held in the same church next Sunday, the following Sunday, June 12th, Rev. C. A. Betty, a former pastor, will occupy the pulpit in Vandeleur church.

Messes, H. I. Graham and Norman Genoe attended the re-organization meeting of the Centre Grey Baseball League in Fiesheron on Thursday evening of last week. It is not likely that Vandeleur will enter a team, but they have until June 6th to make up their minds.

Vandeleur's putting teams in the baseball and softball series in the Farm Youth association and practice should start at once. The series will be run off during the month of June.

(Intended for last week.)

Mr. Schlyur Douglas, an old Vandeleur boy, now of Edmonton, Alberta, who a couple of years ago organized the movement for the collection and re-distribution of used and left over Sunday School papers and periodicals, and who has been delivering a series of lectures throughout Ontario, occupied the pulpit in Vandeleur church on Sunday afternoon and gave an exceedingly interesting account of his work in this connection. Mr. Douglas described the work as unique in the Dominion of Canada, or in fact anywhere. At the beginning he attended to the work himself, but so tremendously has it grown that today a large staff of C.G.T. girls are employed every Saturday sorting and mailing thousands of papers which are sent to boys and girls throughout Alberta who would otherwise not receive any. The system developed by Mr. Douglas is very thorough and his description of the work is well worth the object of his lectures in Ontario and other provinces. Both Mr. Douglas and his staff of girls do the work voluntarily and without remuneration, and his many friends in this community wish him God speed in his unselfish work. Mr. Douglas will shortly publish a book in which a full description of the work will be given.

The Canadian Red Cross

The Hon. G. H. Ferguson, Prime Minister of the Province of Ontario and Minister of Education, has issued the following message to the public concerning the work of the Red Cross Society to which the Provincial Government has contributed the sum of \$30,000.00 in the forthcoming Campaign for funds which will take place in Ontario on June 8, 9 and 10:—

"The Red Cross Society renders supreme service to humanity. It is the common meeting place of all peoples and nations who recognize the Fatherhood of God and the Brotherhood of man. In Canada, as we know, the Red Cross Society stands ready to give help and succour wherever and whenever help and succour are needed. Money entrusted to this organization earns priceless dividends and serves to establish and maintain the best and the highest ideals of the race. Both in our densely populated centres and in the remote regions where the advantages of modern life are almost unobtainable the Red Cross carries on its helpful work. I earnestly hope that the appeal now being made for funds will meet with a sympathetic response and fully realize the expectations of the Society, which are based on many years of experience of actual needs and have a legitimate claim upon every man, woman and child in this favoured country."
