(Held over from last week) The people of Dornoch and vicinity were very sorry to hear that on May 21st one of their respected citizens, in the person of Mr. Wm. Lister, had passed to the Great Majority; at the ripe old age of 84 years. He was a man of sterling qualities, a good neighbor and a true friend.

The late Mr. Lister came to Canada in 1857 with his parents and settled in Sullivan township. His mother was of Irish descent, but he and his father were born in Darlington, England. He married Catharine Sweeney and to them nine children were born. His wife predeceased him forty-three years ago. Sullivan, of Dornoch; Eliza, Mrs. Maritz of Irish Lake, and Julia, Mrs. Patrick Sullivan of Irish Lake. Mrs. William Vasey of Owen Sound is the only surviving sister.

Father Nicholas Roach preached from the words of St. Paul, "I have fought a good fight; I have finished my course; henceforth there is a crown laid up for me eternal in the heaven;" the sympathy of the community is extended to all sorrowing relations.

These increased by exactly 100 in the year ending March, 1926, nearly doubling the number of the year before and standing in the later year at 206. Prince Edward Island still leads the Dominion in the number of farms, having 570 out of a Dominion total of 2,228; the latter figure comparing with 2,130 the year before. The provinces rank as follows: Prince Edward Island, 570; Ontario, 496; Quebec, 459; New Brunswick, 206; Nova Scotia, 192; Alberta and British Columbia, each 129; Manitoba, 33; Saskatchewan, 32, and the Yukon Territories, 20.

C.P.R. Opens Public Golf Course

C. P. R. officials and others at opening. From left to right: J. J. Foster, General Agent of Canadian Pacific Steamships; W. B. Laidlaw, General Freight Traffic Manager; G. Murphy, General Manager, Western Lines; C. G. Scott, Superintendent, Canadian Mounted Police; Captain E. Beaman, General Superintendent, C. P. R. Steamships; P. W. Peters, former General Superintendent, Western Lines; J. P. R. Pinkerton, of the Canadian Bank of Commerce; J. E. Berg, of Bergs Motors; and J. E. McCallister, President of the Club.

A magnificent new public golf course, costing in the neighbourhood of \$150,000, has been constructed by the Canadian Pacific Railway at South Vancouver, and was opened with an extensive programme on June 20th.

Besides being an outstanding golf course from the sporting standpoint, it rivals all others in the extreme beauty of its outlook, which is over the Delta of the Fraser River and the Gulf of Georgia. It is called by a lovely musical word, "Langara," for that is the name which early Spanish explorers gave to the beautiful peninsula of Point Grey, on which the new course is situated.

"Langara" Golf Course extends over 120 acres of gently undulating land, and the aggregate length of 18 holes is 6,000 yards with a par of 74.

There is a fine club-house on the grounds, which cost \$12,500 and is splendidly equipped throughout with a spacious dining room, dressing room, shower baths and lockers. But the most interesting feature of the new South Vancouver course is that it is public, and thus within the reach of the man of moderate means. A full round of 18 holes costs only 50 cents, with many of the green fees at 25 and 30 cents respectively.

"Langara" is said to be very similar to the famous "Westward Ho" course near Bideford, Devon, England, and is only four miles from the heart of Vancouver City.

What Makes a Town?

A prosperous rural population which demands a community centre where may be established business, educational, religious and entertainment facilities. Where these flourish and are active it is safe to surmise that the people of that section realize and appreciate the value to them of such a centre.

What Maintains It?

The towns are largely maintained by the surrounding districts. But the organization, the direction, and to a great measure the up-keep, of the institutions in such towns are in the hands of the business interests, together with those directly and indirectly connected therewith. Without the active business and professional men to supervise and govern these public institutions and undertakings no town could thrive.

Who is Mainly Affected?

Every citizen either in or about a town should be concerned in seeing to it that they do their part in carrying on any good cause which may be promoted, either by financial or active support. Only in this way will any town prosper and develop as it should.

Publicity is Required

In promotion work your local paper takes the leading part. It is ever the champion of worthy causes and philanthropic and patriotic undertakings. But to function properly, and fully carry out its natural prerogatives, it must in turn have the financial support of the community it serves. When needing advertising or printed matter always first think of
