To Find out if you need Dr. Chase's Nerve Food. A study of these symptoms will enable you to decide.

This blood and nerve tonic was devised for use in two great classes of diseases, one of which usually develops from the other. Anemia or bloodlessness and Nervous Exhaustion. If the blood is thin and watery, as is indicated by pallor of the lips, eyelids and gums, or if you are afflicted by some form of nervous trouble, you will find in Dr. Chase's Nerve Food the most certain means of relief and restoration.

Thin blood, pallor, loss of energy, loss of appetite, loss of weight, loss of sleep, nervous prostration, nervous headache, indigestion, sleeplessness, irritability, nervousness, twittering of nerves and muscles, remittent loss of sound and light, gloomy forebodings, loss of memory, inability to concentrate the mind.
