It is Serious When The Kidneys Go Wrong
These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the public as an effective treatment for the relief of kidney troubles. Before that they had been for years proven in private practice. Surely they have stood the test of time. And to-day they are more popular than ever before. Why? Simply because they produce the desired results. You know, when you use them that you are not experimenting with an untried medicine.

Mrs. Fred Martin, Box 61, Bradford, Ont., writes: "I can highly recommend Dr. Chase's Kidney-Liver Pills, as I used to suffer agonies with gravel in the kidneys and tried several medicines with no result. Until one day I decided to try Dr. Chase's Kidney-Liver Pills and obtained so much benefit from them that I am now never without a box in use and one in reserve. I certainly wish Dr. Chase's Medicines every success."

Miss Mary Pattison, 165, Upper Water St., Halifax, N.S., writes: "I suffered for two years with kidney trouble and tried a great deal of medicines, which did not help me at all. I was so nervous I could not rest at night. A neighbor advised me to try your K. & L. Pills and since taking them I feel like a new person and now sleep soundly at nights, thanks to Dr. Chase."

Dr. Chase's Kidney-Liver Pills—35 Cts. per box, all dealers, or The Dr. A. W. Chase Medicine Company, Limited, Toronto.

A beautiful recitation, "The Ninety and Nine," was well given by Mrs. Murray and was much appreciated by those present. As it was the King's birthday the meeting closed with the singing of the National Anthem, after which the reciter pronounced the benediction. Mrs. James Henning assisted the hostess in serving tea.
