## EXCLUSIVE Willys-Knight with its Exclusive Sleeve-valve Motor is now obtain- able at New Low Prices

The Willys-Knight sleeve-valve engine is patented, protected, exclusive. The only automobile engine in the world that actually grows smoother and more powerful with use. An engine that other car manufacturers would gladly pay millions of dollars for the privilege of using.

on other cars. Belflex—a noiseless flexible, shock-absorbing, rubberized fabric—deadens road vibration, cushions the whole car, keeps the chassis permanently silent, and diminishes wear.

Because of its simple sleeve-valve construction, there are no carbon troubles, no valve-grinding, no springs to weaken, nothing to adjust, nothing to replace or repair.

These advantages plus the comfort of the magnificently-built chassis—the regal beauty of line and finish—the richness and completeness of equipment—make the Willys-Knight the most advanced of today's motor cars. The new and wonderfully low prices make them the greatest values that have ever been offered in quality automobiles.

And now, Belflex Shaekles—another exclusive feature—replacing the older-style metal shackles used

Mr. George Lenard of Stratford, renewed acquaintances in the Valley.

### "Fly the Flag"

During the last great war patriotic feeling in the whole British Empire was at its highest but since the victory the thought of obedience to this great Empire although that loyalty has not diminished one iota, is more or less latent.  
We, as Canadian citizens, particularly for the next month should demonstrate outwardly our gratitude to the Divine Providence for the infinite blessings which have been bestowed upon us. July 1st marks the sixtieth anniversary of the Dominion—Surely a most fitting occasion on which to "keep the flag flying."  
In 1867 the Fathers of Confederation had many things to consider. Some persons at that time were so short-sighted as to say "Let us remain divided and so whether we will." Others advocated joining this fair land of ours to a foreign people but the clear-sighted Fathers of Confederation took a look into the distant future and decided to continue absolute devotion to the Empire.  
We must indeed pay gratitude to those noble and far-seeing men who have made imperial unity a realization. Let us then in our own insignificant way, rejoice at the great triumph, delight in this infinitely marvelous inheritance of ours and with Lancelotti say:  
O, true Kingdom of the brave,  
O, sea-girt island of the free,  
O, Empire of the land, and wave  
Our hearts, our hands, are all for thee.  
Stand, Canadians, firmly stand,  
Round the flag of our Fatherland.

### United Church Garden Party

The Garden Party held under the auspices of the Ladies' Aid of the United Church, Chatsworth, on Wednesday evening was patronized by the largest crowd that ever attended a function of this kind in the village, the Meaford Citizens' Band, conducted by Mr. J. H. Cowie, being the main attraction.  
Early in the evening a program of sports was carried out, consisting of a Girls' Softball game between Durham and Chatsworth, which was won by the home team, score 6-5. Our girl played a much better brand of ball than that exhibited in previous games this year. Line-up for Chatsworth: H. Bradley, M. Findlay, V. Collins, K. Cromar, A. McKennitt, L. Wardrop, C. Reekie, A. Weeden, L. Merriam, L. Collins.  
This was followed by a well played game of football between Dognor and Chatsworth resulting in a score of 2-0 in favor of Chatsworth. The field was rough for real good play nevertheless a fine exhibition of this old game was given by the forwards of the opposing teams, particularly Laird of the home team. Line-up: Dognor: P. W. Miles, G. Morrison, W. McFabb, R. Morrison, G. Thompson, N. Morrison, J. Moffat, J. Thompson, Mac Morrison, A. Morrison, Mel Morrison; Chatsworth: A. Dudgeon, J. Dudgeon, R. Kerr, G. Garnett, D. MeLeod, M. Kerr, H. Garnett, H. Bayley, R. McFabb, G. Dudgeon, O. Laird.  
The Meaford Band furnished the program for the evening and were aided by their humorous quartette led by Mr. Ashley Kellough, and a quartette: Mrs. R. S. Adams, Mrs. Wm. Cameron, Mr. R. McKee and Mr. Wallace, of Division St. Church, Owen Sound, accompanied Mr. Clements of St. George's Anglican church, Owen Sound. Song by Mrs. Adams, Owen Sound, Mr. Koffer, Meaford, and readings by Mr. R. Irving; Owen Sound, completed an excellent program, all numbers being heartily enjoyed.

The program was concluded by the Band playing O Canada, The Maple Leaf and God Save the King. Proceeds were slightly over \$300.00.

### Visitors in Grey County

Wentworth County Farmers, about sixty in number, honored Grey County with a visit on Wednesday and Thursday of this week. The route followed on their trip was on Provincial Highway No. 6, through Mount Forest to Durham, then across country to Eganville, where they visited the Power House and Hydro Park, going from there to Owen Sound. At this point they were entertained at the Y.M.C.A. and were addressed by R. W. Wade, Director of Life Stock Branch, Toronto. The return trip on Tuesday was made by way of Meaford and Clarksburg where they visited the Georgian Bay Fruit Growers farms and Community Hall, Clarksburg.  
Mr. T. Stewart Copper of Markdale, Agricultural Representative for Grey County, did everything possible to entertain the visitors and make their trip an enjoyable one.

Subscriptions for The Banner taken by G. W. Collins, Chatsworth, \$1.00 to the end of 1927.
