Mr. Thompson is at a loss to know how it caught fire unless some person had slept in the barn over night and dropped a lighted match on the blanket. The horse was badly scorched on the hind legs and body.

A horse belonging to Mrs. Clara Wiley had a narrow escape from drowning when it jumped the fence out of the field and fell in a bog hole on the other side and couldn't get out. ## General Farm Expenses

IN summer months current farm expenses often prove a worry and a burden to farmers whose whole mind should be centered on their crops and livestock.

This worry is unnecessary. By establishing connections with the Bank of Toronto, farmers with good security can readily secure a loan until such time as their crops are sold.

The nearest Bank of Toronto branch manager will be glad to talk with you to-day. Be assured that your relations with him will be as confidential and personal as with your lawyer.
