E. W. Beatty, Chairman and President of the Canadian Pacific Railway, has offered \$3,000 in prizes for the 1928 musical festival to be held at the Chateau Frontenac, Quebec. The Folksong festival recently concluded at the Ancient Capital was an outstanding musical success, being carried out for the first time. The prizes offered by Mr. Beatty will be for musical competitions based on French-Canadian chansons populairos and folk melodies. J. Murray Gibbon, Canadian author, who has translated many old French-Canadian I folk songs, is largely responsible for the success of the recent Festival at Quebec.

Judging from press comments in all parts of the continent these old songs of French Canada are fast gaining in popularity.
