The rector had the privilege of addressing a large congregation at Desboro on Sunday morning, including a splendid turnout of the members of the Loyal Orange Association. The rector spoke on the value of the Reformation of Christianity itself, and the world in general.

On Sunday afternoon the service at St. Mark's was withdrawn, the congregation uniting with the United Church congregation at Massie for the annual Loyal Orange Association service. By courtesy of the Rev. S. Martin the rector had the privilege of taking part in the services. Rev. Mr. Martin gave a very forcible and appropriate address on the 1st verse of the 11th chapter of St. Paul's Epistle to the Romans.

The congregation of St. Paul's Chatsworth has two outstanding features immediately ahead of St. Mark's, Holland township, one. The first, for St. Paul's the Garden Party on Wednesday, the 20th and the visit of the Archbishop at the morning service on the 21st inst. and for St. Mark's, the Garden Party at Mr. Wm. Arnett Women's Institute

The Arnett Women's Institute met at the home of Miss M. Garrett on Tuesday, July 12th, with the President in the chair.

The meeting opened in the usual way with the opening ode, followed by the Lord's Prayer in unison. Thirteen members and six visitors were in attendance. Scripture reading was taken by Mrs. J. S. Baird, being a portion of Psalm 37. Roll call was answered by Birthday and Birthstone.

Considerable business was discussed after which there was community slugging, "All through the night." A demonstration of a house dress was given, made and worn by the exhibiter. The prize was given to Mrs. Frank Whelton. A dainty lunch was served by the hostess, assisted by Mrs. D. Gardiner and Mrs. J. C. Baird.

The Annual Strawberry Festival on the Agricultural Grounds under the auspices of the Ladies' Auxiliary of St. Andrew's Church, last Wednesday evening was a decided success. The weather, which had been showy for part of the day, cleared up in the afternoon and the first part of the evening was ideal weather for an event of this kind. The ladies of the congregation are to be congratulated on the supper which they provided as there was an abundance of good things to eat, the strawberries were exceptionally fine and generously served.

The Bruce Regimental Band arrived early and furnished excellent music throughout the evening and also gave several excellent numbers on the program given in the rink building later.

The Girls' Softball game between Tara and Chatsworth was won by the former team. There was good, bad and indifferent ball, played by the members of both teams at different times during the game. Tara secured a lead of twelve runs in the first inning and although the game was fairly even in the remaining innings the home team could not reduce this margin. Line-up for Chatsworth: H. Bradley, pitcher; M. Findlay, catcher; V. Collins, K. Cromar, L. Merriam, L. Collins, A. McKennitt, C. Rockle and L. Wardrop.

In the football game between Owen Sound Crescenzi and Chatsworth, the spectators witnessed the best exhibition of this game that has been seen here for many a year. Despite the rough surface of the playing field, many plays were cleverly executed, the short passing game of the forwards in particular being very pleasing. The score, 2-0 in favor of Owen Sound, was not an indication of the play, as the home team had fully as much of the game as their opponents. Chatsworth Line-up: A. Dodgeon, J. Dodgeon, R. Kerr, M. Kerr, F. Morris, H. Garrett, C. Dodgeon, R. McArde, H. Bayley, J. Laird, R. Currie.

These games were followed by a splendid program in the rink building which was somewhat marred by a heavy rain storm, the noise of the rain on the galvanized iron roof of the building making it almost impossible to hear some of the numbers. Vocal selections were given by Misses M. Kelly, V. Halden, G. McFadden and Mrs. Hobl, Kerr, and by Messrs. R. McArde, Krug and E. Smith, and the Quartette composed of members of the band. The accompaniment were Mrs. M. Black, Miss E. Ford, Mrs. M. Laing and Mrs. R. Kerr. A soloist singing by Miss Edna Boward, a violin solo by Ruth McArde and a concert solo by Major Steel were much appreciated. Mr. Chas. Gordon of Owen Sound officiated as chairman.

The amount realized was very gratifying, being in excess of \$1000.00.

Presentation to Minister

Between forty and fifty of the congregation of Desboro Church assembled in the Manse last Wednesday evening for a social time and to bid farewell to Rev. S. Martin. A very enjoyable evening was spent in playing some unique games and music.

A real surprise awaited Mr. and Mrs. Martin when they were called forward by Mr. John Martin and presented with very handsome table lamp and the following address:

"Dear Mr. and Mrs. Martin.—We have met together for probably the last time in the relationship of a congregation with our Pastor and his wife, and we feel it is a fitting time to give expression to the respect and esteem in which you are held."

To you, Mr. Martin, whom we have had greater opportunity of knowing, we wish to acknowledge our gratitude for the interest you have taken in the various activities of our church. We have always felt that you had your best interests at heart. Not only have you maintained a high standard of service in church, but we have felt your deep sympathy in times of sickness, trouble and bereavement.

We deeply regret that those in authority over us have seen fit to remove us from your pastoral charge, for we feel we were in good keeping while in your hands. And now as a small token of remembrance we ask you, Mr. and Mrs. Martin to accept this reading lamp and as its bright rays fall upon you may it ever remind you of the close bonds of friendship which have been established between you and the members of the Desboro United Church.

Signed on behalf of the congregation,

J. Martin

E. Wells

The evening, while most pleasant, was yet tinged with a feeling of regret for the relationship of Minister and congregation has been particularly happy, was brought to a close by the singing of Auld Lang Syne.
