Cream Grading

is strict this year. With the weather having now it does not pay you to ship cream off. Although leaving your cream in grade, at reaching its destination it might be graded, resulting from warm weather.

You can overcome this by bringing your cream to us or having one of our trucks call for it. We will take the cream to the creamery for you, and take advantage of grading.

Our service is the best and you always get the highest price. We are satisfied with our service. Let us satisfy you.

In order to accommodate our patrons during this busy season we will keep open every Tuesday and Saturday night until further notice.
