No More Indigestion

After Mrs. Monette Took "Fruit-a-lives".
 There's comfort for all who suffer from indigestion in this grateful note written by Mrs. Monette, Montreal: "I hardly dared take 'Fruit-a-lives', fearing they'd disagree with my stomach. Mrs. Monette frankly expressed her well and recognized 'Fruit-a-lives' as the best remedy for indigestion. Mrs. Monette expresses the sentiment of thousands of people whose digestion came quickly back to normal under the healing influence of 'Fruit-a-lives'.
 This wonderful medicine is a combination of intensified fresh fruit juices and tonics. Indigestion and bitterness often are due merely to low levels, liver and kidneys. 'Fruit-a-lives' overcomes these conditions gently and naturally. Get a box from your druggist, 25c or 50c. Rely on your food again as Mrs. Monette does."
