Chatsworth Fall Fair

The 67th Annual Exhibition of the Holland Agricultural Society was held at Chatsworth last Friday and in spite of the showery weather the event was a decided success. The exhibits in the hall were up to the standard of former years, with the exception of fruits and vegetables. The array of Baking, Dairy Butter and Canned Fruits was better than the exhibits of previous years, while the exhibit of Fancy Work was up to the usual standard. The exhibit of Stock on Friday afternoon was particularly good, the Cattle show being the best in the history of the Society, there being in the neighbourhood of 150 cattle on the grounds. There was an exceptionally good line-up in the class for Registered Shorthorn Cows and also in the class for Baby Beef, no less than fourteen showing in the latter class, and as good quality as could be found at any exhibition. Mr. W. C. Henderson of Keady won the cup presented by the Royal Bank, Chatsworth, for this class, and he also exhibited another Baby Beef (not the prize winner), 10 months old which weighed 1100 pounds. This one was sold the day of the fair for fifteen cents per pound.

Some of the best horses in Grey and Bruce Counties were shown in the horse ring. McDougall of Port Elgin, Wilson of Markdale and McDougall of Walters Falls getting the main events in the harness classes. S. Legate won the Silver Cup for Agricultural teams and also sweepstakes for best horse on the grounds. Arran Township won the special prize for best three horses from any municipality. The Harness and Hitch contest was so close a finish between J. A. McDougall of Port Elgin and A. Stanshok of Owen Sound that the judges could not give a decision and this event was decided by flipping a coin. McDougall winning the toss.

Wilson of Markdale won the class for Style, Speed and Action, and the class for special was won by Thos. Stanshok with B. McAvoy and A. Stanshok having a narrow margin. The judges in the several classes were as follows:

Horses—Geo. Stres, Carhill.
 Beef Cattle—H. B. Jeffs.
 Cattle, Sheep and Swine—G. E. Gower, Honeywood.
 Poultry—S. A. Budy, Guelph.
 Saddle Work and Art—M. Goodenough, Guelph.
 Dairy Products—John McQuaker, Owen Sound.
 Eggs—Adam Brown, Owen Sound.
 Fruits—J. E. Elliot, Williamsford.
 Baking and Canned Fruit—Mr. G. W. Collins, Owen Sound.
 Fancy Work—Mr. Francis, Owen Sound.

Mr. J. E. Elliot has become one of the popular men in the County. In the process of this institution is the entering efforts of the Dairy Products who have won the prize list so that it is the largest list of prize winners will be published in this paper next week.

At the concert in the evening the Starbrook and Thistle Entertainers of Toronto played to a packed house. Chasby Orchestra provided the music for the dance afterward, the Hall being filled to capacity.

R. B. Sudden's Store Broken Into

Some person or persons, gifted with a preponderance of nerve, forced an entrance into the store of Mr. R. B. Sudden on Friday evening last, with apparently the sole object in view of making themselves at home for a time. Mr. Sudden had closed his store at about 8:15 and went to the

**All Canada Agrees
 "It's Better because it's Canadian"**

"It's Better because it's Canadian" . . . a year ago General Motors of Canada gave first utterance to this phrase.

"It's Better because it's Canadian" . . . newspapers and magazines all over Canada took up the theme, impressing on Canadian citizens the pride they should justly feel in the products of their country.

"It's Better because it's Canadian" . . . the phrase has struck home, has become a challenge to the Canadian manufacturer and to the Canadian buyer.

"It's Better because it's Canadian" . . . it is a fact. And because it is a fact . . . because General Motors was inspired to put it into words . . . because Canadian editors added to its impetus . . . because Canadians accepted it . . . and because the standard of Canadian quality proved it true . . .

. . . all Canada has enjoyed a greater measure of prosperity; and General Motors of Canada, with many other Canadian manufacturing organizations, has just completed the most successful year in its history.
