Why Not Play Charades?

The game of charades is such an old favorite that it is well worth frequent revivals. Thore who compose the audience usually enjoy themselves quite as much a sthe actual particlants, and by making charges in the performers from time to the there is opportunity for everyone to take an active part.

As a charade is a syllable parale. presented either orally or in a series of tableau, any word chosen as a subjejet should have several syllables. Each syllable must constitute a word which can be used in its proper order a sa single part of the entire characte to be presented in the final net or tableau. The word charade is said to come from an Italian word meaning to chatter, prattle, or to amuse by bright conversation. This is well They get them." was the reply.

They get them." was the reply. they get them," was the reply.

After a little investigation, I found what is known as "small talk?" which that she was right. In fact, I saw serves as a background for the words much to be preferred to starch: bis-

Taking Care of Household Linen

Every woman homekeeper takes a in her linen, but too often, treat it, badly by lack of realizationcare and protective measures

Many people blame the fabric when the to show signs of early wear, Generally speaking, the cause is to be sought in the laundering and probably it will be found that strong soap, roda, or soap powder have been use which hinds together the libers guni of the flax, and naturally, the Hen wears badly. Rinsing, too, is of minigst importance, for it soap is le in after washing, for if coap is left ing causes a chemical action betwee the soap and the gum, and a change of boiling will afterward repair.

From a famous leish linen mill comes the statement that the following mixture for stiffening linen is The game is played by selecting pint of warm water. For use, add kept in stock. If the household scap is suspected of containing free alkali solve the soap in water and in it dip kall is there.

Careful laundering, however, is no
