NOTICE

Former Grey County Residents in Detroit. Of interest to Grey County residents in Detroit and Windsor is the fact that a temporary committee has been organized to get sufficient residents of the above district to form a club which could meet and become acquainted through social monthly affairs, such as suppers and dances. There are a great number of people belonging to Grey County and the adjoining Counties who never meet one another in the big metropolis, and the forming of such a club should prove a source of much enjoyment to all. As the committee is anxious to get its club in full swing for the winter months, let everybody send in their names and those of any others they know to Mr. H. C. Lamb, 578 Maccaena Building, Detroit. Phone North 570671.
