Expression of Sympathy

Toronto, Nov. 19, 1927.
Mrs. William Stoddart,
Markdale, Ontario.

Dear Mrs. Stoddart:—

I have just learned of your father's death and drop this line not only to express sympathy with you but to pay my tribute of respect to your father.

He has lived to a ripe old age and after the many years of his life at Markdale has left behind him the record of a good name.

I personally have known him now for nearly 40 years; and during these recent years I have been living in Toronto on my visits to Markdale. I was always glad to meet your dad—no one had a more friendly handshake than he had.

I am sure you will have very pleasant memories of these last years of his life with you.

Please accept for yourself and extend to the other members of the family my personal sympathy. I am, Yours truly,
J. B. Lucas.

Smith - Alcox

A quiet wedding was solemnized on Wednesday afternoon, November 23, when Miss Sarah M. Estell Alcox, only daughter of the late William J. Alcox and Mrs. Alcox of Orange Valley, became the bride of Herbert Wesley Smith of Rock Mills, son of Mr. and Mrs. Isaac Smith of Esherton. The ceremony was performed by Rev. A. Newton St. John of Annesley church at the residence of the bride's parents.

The bride looked lovely in a gown of flat crepe of French blue caught at the side with a brilliant ornamental black silk stockings and satin shoes to match. The bridesmaid, Miss Vina Davidson, was dressed in a kasha colored silk tulle. The groom was ably supported by Mr. Clarence Alcox, brother of the bride.

The happy couple left on the Walkerton train for Owen Sound and London, the bride travelling in a navy blue needle point coat, trimmed with their return they will take up their residence at Rock Mills.

In Memoriam

LEE—In loving memory of our dear mother, Ella Isabella Lee, who departed this life November 29th, 1925.

She was a devoted wife and mother, and one who loved by all.

The blow was great, the shock severe, we little thought her death so near.

And only those who love can tell, the pain of saying the last farewell.

Days of sadness will come o'er us, tears of sorrow, dearest near us, whom God called home a year ago.

Sadly missed by Parents and Family.

Toys For Every Child

Boy Scouts Make Plans

The Boy Scouts of Canada want to see that every poor child, including those of recently arrived immigrants, has a toy this Christmas. In Markdale, Boy Scouts will be glad to accept disused toys that could be easily repaired and sent to those centres from which distribution will be made. The idea is not new altogether for Owen Sound Scouts have for some years, in this way provided for about 100 children, and the "Scout Toy Shop" has for a long time operated in Toronto, Ottawa, Winnipeg, Calgary and other cities; but this year the aim is to reach a far larger number of children. The group has welcomed the idea and the admission to their Social on Monday is to be a "toy drive" to be given to the local Boy Scouts' Toy Collection.

California's Gold

Mummy Songs and the Mason-Dixon Line have all melted it away, before the Sun in the orange groves of California. And there's a reason. There are no more gold mines in California. One never hears of them, and it is reasonable to suppose that one should winter follow the steps of the conquistador of whom, perhaps, they have never heard. They search for gold—the gold of the beach, of the effluvia waters. And there is a mine there for you; a real mine of health and a wealth of sport and recreation activities for you to exploit at will.

Mr. Lauchie Dunbar of Detroit is gladly supply information regarding fares, routes, etc., upon request.
