### Owen Sound Kiwanians Visit Markdale

On Thursday evening last about  
forty members of the Kiwanis Club of  
Owen Sound drove over and visited  
the Home for Aged and Infirm where  
they delighted the inmates with a  
short program. On their arrival they  
were heartily welcomed by Mr. and  
Mrs. Smith. The program opened  
with a chorus by the visitors and  
this was followed by prayer by Rev.  
A. Newton, St. John's Anglican  
Church. Mr. C. E. Brien, President  
of the Club, then extended greetings  
to the old folks and explained the ob-  
ject of the visit. Mayor Christie and  
Sheriff Wilson also spoke briefly.  
Mr. Ash Kellough sang a solo and  
Messrs. Kellough Bros., Dedrick and  
Boorman a duet. Several choruses  
were sung and the inmates of the  
home were delighted with the visit  
of the Kiwanians who were urged to  
come again and to come often. Treats  
were left for all. On behalf of the  
inmates Mr. and Mrs. Smith thanked  
the visitors for their visit.  
After leaving the Home the visitors  
made their way to the home of Mr.  
and Mrs. T. S. Cooper where a few  
minutes were pleasantly spent. Dur-  
ing their visit Mrs. Cooper was pre-  
sented with a beautiful bouquet and  
the following address was read to Mr.  
Cooper:

Owen Sound, Dec. 1, 1927  
Mr. T. Stewart Cooper, B.S.A.,  
Agricultural Representative,  
Grey County, Markdale, Ont.

Dear Sir:  
Recognizing the splendid work in  
connection with the advancement in  
scientific agriculture which, as the  
Agricultural Representative for Grey  
county, you have been able to ac-  
complish since your appointment to  
this most important position, and  
having watched carefully the growth  
and interest being manifested in your  
efforts, especially in relation to the  
farmers in the county, the Kiwanis  
Club of Owen Sound, interested as it  
is in the development of more friend-  
ly relations between country and city,  
between farmer and artisan, desire on  
this occasion to express to you our  
heartiest appreciation of your success-  
ful efforts, and to extend to you our  
best wishes and congratulations.

Your position is a responsible one;  
you have many persons to please;  
you are expected to keep yourself in-  
formed on the most modern farming  
methods; to instruct the younger  
farmers along new and up-to-date  
lines, in other words to be the ser-  
vant of the rural population of the  
county. This is an arduous task and  
task, but we all know that you have  
been indefatigable and conscientious,  
fearless and yet courteous, in the per-  
formance of your duty, and we wish  
to assure you a Kiwanian that we  
are prepared to assist you in any rea-  
sonable and feasible manner in the  
carrying on of your work, and the  
promotion of the spirit of good-will  
without which there can be no per-  
manent success.

We wish to embrace this oppor-  
tunity of extending to you and Mrs.  
Cooper our heartiest Christmas  
wishes and a prosperous New Year,  
and at the same time to say that it  
is our hope that the Club can be of  
any time the Club can be of material  
assistance to you in your many and  
varied activities, you will receive the  
same co-operation as in the past.  
Again wishing you continued suc-  
cess in your work, we beg to remain,  
yours most sincerely,  
M. B. Dalmage, Secretary,  
E. Brien, President.

### Sunshine Belt of the South

The longest beach in the world  
"Strung" way along the Gulf of Mex-  
ico, down around Key West, up the  
coast of blue to somewhere east of  
Jacksonville will not mean a thing  
to those who never see it, nor will the  
warm tropic suns of midwinter or the  
sea bathing of January. There are  
oranges to be picked when the snow  
is harrowing your shins, golf and  
tennis down South when the weather  
strips alone will not debar the breath  
of the North. When you think things  
at their best, the Christmas Party for  
the children of the Church & School.
