The dance in the Town Hall on Friday night under the auspices of the Holland Agricultural Society was fairly well patronized, but owing to counter attractions in other places the crowd was not as large as was expected. What might have been a serious accident occured here Friday evening last, a Ford sedan colliding with a Ford touring at the intersection of McNabb street and Garafraxa street (Provincial Highway), the touring car being overturned. Fortunately no one was hurt with the exception of a few bruises. The cars were damaged to the extent of broken fenders, bent axle and a broken top. As both of the main streets in Chatsworth are Provincial Highways, more or less congested with traffic, the Village Council has placed "stop" signs on all intersecting streets as a warning to motorists that they are approaching the "through" street, but it is a common sight to see these signs totally ignored. If motorists would observe the rules in coming to a main thoroughfare and also the speed limits in towns and villages, the danger of accidents would be much less.
