## Chatsworth Y.P.S.

One of the most interesting Missionary programs that has ever been presented by the Young People's Society was enjoyed by the large company present last Monday evening. Very hearty singing of Missionary Hymns characterized the service. Miss Minerva Woods, delighted the audience with a finely rendered piano solo which was generously applauded. The atmosphere of the meeting was distinctly and delightfully Japanese. The three members of the Society who acted most entertainingly on Japan looked charming in the native costumes. Miss Kathleen Spenser vividly described the physical characteristics of Japan; Miss Gladys Bross, portrayed its old religions, and Miss Annie Martin gave an intimately revealing picture of its people, their customs, home life, its articles of wearing apparel, such as slippers, kimono, etc., and excellent photos, all of which had been kindly loaned, were exhibited. Much credit is to be given Miss Gladys Bross, Convenor of the Missionary Committee, for giving the Young People such an intensely live and interesting meeting.
