## "MARCONI"

### The Oldest and most reliable in Radios

The New Marconi one-dial Radio is the most selective Radio on the market.

The new dial with the Metres and Kilocycles on it is in advance of all others. All you have to do to find the station you want is turn to the number of metres on dial and you have it with life-like realism.

"Marconi", the inventor of wireless, stands alone in this work.

Have this wonderful Radio demonstrated for you by

### STEWART-WARNER Matched-Unit Radio

#### The Gift That Keeps on Giving

STEWART-WARNER Radio is the gift that brings joy to the entire family, not only on Christmas day, but on every hour of every day that follows. It is the gift that gives increasing pleasure as the year goes by.

Work by week, broadcast features are playing in larger. Today, at every hour, music, lectures, comedians, singers, famous orchestras and other entertainers are on the air—features that are not only amusing but educational as well, especially for the youngsters.

So why wait longer? You don't need a heavy price to secure this best of all Christmas gifts. At a reasonable cost, no higher than you would pay for a receiver bearing an unknown name, you may have the famous Matched-Unit Radio.

Purchasing a product made by Stewart-Warner, so old, reliable, and famous. It is a good rule to follow when spending money—particularly Christmas gift money. Place your order now—in time for Christmas Eve delivery.

We are also agents for the Fada and Kolster Radios and supplies. Have your Radio in good working condition for Christmas. These radios are all made in batteryless as well as with batteries.
