Benjamin Thomas Cutting

Mr. Benjamin T. Cutting, a well known and highly respected resident of the 9th Line, Euphrasia, passed away at his home on Wednesday, January 18th, 1928. Mr. Cutting had been in poor health for over a year, but previous to his death was only about two weeks bedfast.

The deceased, who was sixty-five years of age, was born and brought up on the township of Erin, being one of a large family. At twenty-one he came to Euphrasia and a year later he married Miss Emma Boales and took up farming, in which he was quite successful. Their marriage was blessed with four children, all of whom survive. They are: Mrs. Geo. Weyille, Euphrasia; Mrs. John Achtem, Holland; Fred. W., of Markdale, and Robert I. at home. Three brothers and four sisters also survive, namely: Philip Cutting of Wolseley; Rufus of Shallow Lake; Fred. of Toronto; Mrs. D. Wright of Dundas; Mrs. Greville of Shallow Lake; Mrs. Durbee and Mrs. Will Sargar.

Mr. Cutting was honorable and upright and was held in high esteem by friends and neighbors. In earlier years he was a valued member of Ebenezer Church Choir.

The funeral took place Friday afternoon to Markdale Public Cemetery. Rev. A. N. St. John, pastor of Annesley United Church had charge and conducted service at the house. By request of the deceased there were no flowers.

The pallbearers were: Messrs. W. A. Johnson, J. E. Redman, John Ponsford, Cecil Bennett, Wm. Irwin and Wm. Eccleston.

Mr. Peter Cutting of Wolseley, Mr. Rufus Cutting and son, John, of Shallow Lake and Mrs. D. Wright of Dundas were present for the funeral.

Death of James Carson

Mr. J. G. Carson passed away on Friday, January 13th, 1928, at the home of his son, J. E. Carson, of Cyprus River, Manitoba.

The deceased had been in ill health for about a year, but was confined to his bed for only three weeks previous to his death. He was eighty years of age.

Mr. Carson was a former resident of this district and was well known in Markdale. Having sold his farm in Eugenia to the Hydro Commission he moved to the West about 12 years ago. He is survived by two sons and five daughters.

The funeral took place on Sunday under I.O.O.F. auspices.

The late Mr. Carson was a brother-in-law of Mr. Thos. Elliott of this place.

A New Method Proposed

Public attention has recently been called to a method of a change in court procedure during the sanction of court proceedings in all criminal cases shall be sought to determine whether the accused is guilty or not guilty, and in the case of guilt the penalty shall be determined by a clinic of experts who shall study the case of each criminal and fix the sentence to fit particular crime. The need for such a change is very apparent. It surely is agreed that justice ought to be fairly meted out in all cases of crime, and should be uniform in all parts of the Province. It is not in public interest that a criminal should receive an unduly severe sentence and another an unduly light sentence. Judges are human, some are severe, others lenient—all are liable to be swayed by a momentary impulse or prejudice. Besides, it may be that fraternal or other consideration may secure too great leniency. In the interest of all concerned, justice should be justice and that for every criminal offence there shall be an adequate and uniform penalty.

In case that such a change is effected, the report of any criminal prosecution should end with guilty or not guilty and from the time a man is found guilty, he is committed and his case is referred to the clinic of experts who shall determine the nature and the quality of punishment to be imposed, after a thorough study of his personal history, his mentality, the nature of his crime and his moral attitudes. The very best thing for criminals is to bury them in obscurity to be known by numbers only and that upon their release they shall be directed to live far from the scene of their offence.

The Board, or Boards of Clinic, shall be carefully chosen. Each board should consist of a Judge, or an expert in the legal profession, a Medical Man, who is interested in psychiatry, and a moral expert. Their decisions should be based upon actual data and should aim at the reformation of the criminal, as well as the protection of society. During this period of sentence the criminal should be fully and profitably employed and a fair wage should be given, but their should be turned over to his dependents, lacking which, should go to the Institution or to the Municipality from which he was committed. Should there be an amount available for him upon release it would be a good arrangement.

The above is published so that our citizens may be able to form a proper opinion, and the subject might be argued in the form of a debate.

Annual Meeting of Annesley Church

The Annual Congregational Meeting of Annesley United Church was held on Wednesday evening, when reports were heard from the various activities of the Church. The Secretary of the Session reported 337 members, some 43 less than last year due to close revision of the roll. The Treasurer's Report showed the finances to be well in hand. Payments of items amounting to $2073.70 were shown and all outstanding indebtedness has been consolidated. The Ladies' Aid showed receipts of $901, and merited a vote of thanks for the splendid work of the year. The W.M.S. Auxiliary reported $143.76, the Mission Circle reported $100, and the Mission Band $28.45, making a total of $272, which was $6 in excess of allocation. The Sunday School report given by the Supt., W. J. McFadden, showed the school to be in a flourishing condition. A total enrollment of 151 and $132 raised for school purposes and $25 for M. & E. Funds. Mr. H. J. Armstrong reported progress for the Maintenance and Extension Fund Committee, having already in hand $360.00 from the general canvass. The pastor reporting the whole charge showed that we would report more than $550.00 for the nine months period.

The Election of Officers took place: The Session, M. Armstrong, J. R. Armstrong, W. L. Young, J. E. Matson, W. J. McFadden, W. J. Bowes, S. W. Douglas and Mrs. Thos. Cook. The Board of Stewards: Mrs. J. E. Matson, Mrs. C. H. Armstrong, W. J. Bowes, A. Jackson, C. E. Armstrong, J. A. Clarke, W. L. Young, J. E. Matson, S. J. Halbert, W. N. Armstrong, M. Armstrong, Aubrey Posteric, W. Foster.

There was a good attendance and an excellent spirit was manifested. The pastor, Rev. A. Newton St. John presided.

Kinney - Sowerby

A happy event took place on Wednesday, January 4th, 1928, when Miss Ellen Sowerby and Mr. Edward Kinney were united in marriage at the Rectory, Markdale, Ont., Rev. A. S. Mitchell officiating. The bride wore a lovely dress of white crepe over silk with cream lace trimmed with lace, and the groom's gift, a beautiful bouquet of pink roses. The bridesmaid wore a pink coat trimmed with sable, and hat of black and gold metallic and velvet.

Mr. and Miss John McMullen of Holland Centre attended the bride and groom.

After the ceremony the party returned to the home of the bride's parents where a dainty wedding supper was prepared by friends of the bride. After supper a pleasant evening was spent.

The New Chevrolet

The new Chevrolet models, and a couple are on exhibition at Jackson's garage in town and are attracting considerable attention.

Built on a 107-inch wheelbase, the new Chevrolet is four inches longer than before and is impressively large, low and racy. From the massive new radiator—designed in a fashion reminiscent of the LaSalle—the lines of the car sweep back to blend into graceful contours of the bodies. Sharp corners have been entirely eliminated and in the closed models it was noticed that the roof curves into the rear quarters in unique manner.

A complete new line of cars is shown by the announcements of the General Motors and the specifications show that the new Chevrolet incorporates all the advantages of popular "Most Beautiful" model, and in addition embodies a number of features that combine to produce what General Motors officials believe will be the sensation of the automobile industry in 1928.

The first official list of these features includes: massive, deep and beautiful radiator, four-wheel brakes, extended wheelbase, an improved engine that gives 34.6 per cent more power and five miles an hour more speed, longer and roomier Fisher bodies, new Duco color combinations, thermostat control of cooling, shock absorber springs, motor enclosure and indirect lighted instrument panel.

Seven passenger cars, including five closed and two open types, comprise the line. Every driving requirement is cared for in the make-up and appointments of the various body types.

The new car has a distinctive big appearance entirely foreign to its price class. This is achieved by adding four inches to the wheelbase. The frame also has been deepened to make smoother-riding, sturdier and better balanced car.

Cooke's Church, Markdale

The Annual Meeting of Cooke's congregation was held in the church last Thursday evening, January 18th, with the minister presiding. Despite the unfavourable weather conditions the congregation was fairly well represented, and the business was conducted with unanimity and despatch.

Mr. E. B. Stewart, the genial Secretary of the congregation, was appointed to act in this capacity for the evening.

The reports from the various Departments were very encouraging. All reported a balance on the right side. The Sunday School Report from the standpoint of enrollment and average attendance was very good.

The Ladies' Aid report, given by Mrs. John Sutherland, Treasurer of this organization, showed that good work had been done in this department. A total of $561 had been made during the church year. At the close of this report the Ladies' Aid was given a hearty vote of thanks for their generous contribution of $200 towards current expenses of the church. Also Mr. Hugh Knott was most heartily thanked for his generous act in paying for the installing of the furnace, over $16.

The Treasurer's Report, in the absence of Mrs. Hale, Treasurer of the congregation, was given by Mr. A. V. Gilbert, our energetic and efficient chairman of the Board of Managers. The Report showed a balance to the good of $117. Following the adoption of this Report the Secretary was instructed to write a letter to Mrs. Hale expressing the sympathy of the congregation in her regrettable accident, and hoping for a complete and speedy recovery.

Messrs. Gorley, Barnes and Grahnil were elected to the Managing Board for a term of three years, and Messrs. Beaton and Greadner were elected to the Board of Trustees.

After the completion of all business those present went over to the Manse where the ladies served lunch and an enjoyable half-hour was spent.

W. N. Young Sells Out

(Meaford Mirror)

The furniture and undertaking business owned by Mr. W. N. Young was sold on Saturday to Mr. J. W. Horsley. Mr. Horsley has possession on Monday and is conducting the business which was one of the earliest established in Meaford.

Mr. Horsley is one of the best known business men in Meaford, having been engaged in business here steadily for the past 27 years. He has also held various municipal offices, including the highest in the gift of the Meaford public—that of Mayor. He is at present a member of some civic boards and associations. Lately he has been in the automobile business. Mr. Horsley needs no introductions to the people of Meaford and district.

The "Heintzman" business was established in 1861 and has always been one of the chief business places of the town.

Mr. Young has not yet decided what he will do. He has several tempting offers but has as yet made no definite decision.

The New Ford

Ford, Ont., Dec. 23

Ray Dahlinger on the last lap of a 9000 mile trip that circled the United States passed through here to-day in a new Ford car. Twenty-one days ago he left Detroit and travelled westward to San Francisco, then on down to Los Angeles and up through the south-western states to Toledo and from there to New York City and back to Detroit via Niagara Falls and Windsor. Mr. Dahlinger has driven every mile of the way, using representatives of the Ford Motor Company only as guides. He pointed out that the water in the radiator was the same as that placed there in San Francisco. Severe storms were encountered in New Mexico, New York State and some rough going between Hamilton and Windsor, but the entire trip was unmarred by accidents or repairs.

Mr. Dahlinger stated that his longest session at the wheel was 29 hours without sleep. Between New York and Syracuse he had to contend with a severe sleet storm that made the roads a sheet of ice. In New Mexico his greatest obstacle was a blinding snow storm and in Arizona the roads were dry and covered with sharp rocks. The car driven by this energetic pilot is a standard Tudor sedan that left the assembly line in Dearborn and started immediately on its transcontinental run on December 2. Ford officials stated that no special significance was attached to this run.

Works Hard, Dances, Gains 3 Pounds A Week

"I work hard, dance and have gained 3 pounds a week since taking Vinol. My nervousness is almost all gone."—Mrs. F. Lang.

Vinol is a delicious compound of cod liver peptone, iron, etc. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. The very first bottle often adds several pounds weight to thin children or adults. Tastes delicious. R. L. Stephen, Markdale.
