Sunday night after church

Both the Henderson boys are far away from the old home. But Sunday is still a very special day for Father and Mother, for every Sunday night after church the telephone bell rings and the old folks know that one of the boys is calling them from the distant city.

Long Distance is wonderful for keeping family ties strong. It is so simple, so inexpensive to call distant friends for a few minutes' chat. And how welcome is the sound of their voices!

Do you call friends by Long Distance? The Evening Rate after 8:30 is very low.

Every Bell Telephone is a Long Distance Station.
