Fletcher's Castoria is purely vegetable, so you may give it freely, at first sign of colle; or constipation; or diarrhea. Or those many times when you just don't know what is the matter. For real sickness, call the doctor, always. At other times, a few drops of Fletcher's Castoria.

The doctor often tells you to do just that; and always says Fletcher's. Other preparations may be fust as pure, just as free from dangerous drugs, but why experiment? Besides book on care and feeding of hables that comes with Fletcher's Catstoria is worth its weight in gold!
