This and That

Remember the worth of character.
You can't always judge a fellow
by what he says. It's what he does
that counts.

Some fellows who drive cars should
play golf or baseball. They can hit
everything in sight.

Dundalk people may now be re-
cognized by their good looks. They
have a beauty parlor there.

Potatoes are used extensively in
the manufacture of buttons. Some
that we bought are about the right
size.

Now that the Highways are open
for motor traffic the road hog will
have an opportunity to perform a-
gain.

It is said that hair grows faster in
summer than in winter. Can the
half-headed fellow get any comfort
out of that?

The weatherman prevented many
from displaying their new spring
togethery on Sunday and winter coats
were in evidence.

"They have the water on the lot to
flood the new rink when it is built,"
remarked an interested Markdale
youngster last week.

The school boys are all displeas-
ed because the schools are closed for
the Easter holidays this week. Believe
that and we'll tell you another.

Some of the fellows are already
getting the fishing tackle in shape for
May the first. None of them ever
try their luck before that date; at
least not publicly.

When you get all set for spring
and the weatherman takes a notion
to give us a few days more of winter
you feel as though you had got a
real set-back.

It looks as though there might be
a split in the local senate as a ma-
jority are in favor of putting a special
tax on the bachelor members who
are strongly opposed to the proposi-
tion claiming that as this is leap year
they ought to blame for the "tone-
liness."

In spite of all we hear about hard
times and how many of money
are scarce, the ducks have
been doing well.

11 a.m. Morning Prayer and Ser-
mon. "The Forgiveness of Sin."
7 p.m. Evening Prayer and Ser-
mon. "Saving Faith."
Tuesday 7:30 p.m., Boy Scouts.
The Reverend G. Quinton Warner,
M.A., B.D., Rector of the Memorial
Church, London, will (D.V.) conduct
a week's Mission of Instruction com-
mencing at 7 p.m. on Sunday, May 6.
This date has been decided on as
being most likely to fit in with local
needs and it is hoped that every Ang-
lican will try to attend all these
meetings.

St. Matthias—Berkley.
3 p.m. Evening Prayer and Ser-
mon.

Afternoon Tea
The Lac la Ronge Helpers will
serve Afternoon Tea in the Rectory
Reception Rooms to-morrow (Fri-
day) from 3 to 5 p.m. May we please
ask for the support of all the con-
gregation in their effort?

There is a difference. To get
your name in the city paper, you
have to shoot your wife, get gorged
to death by a silver, marry a movie
star, or do something sensational.
But to get your name in the Standard
all you have to do is to have a guest,
go a-visiting, have a baby at your
house, buy a pure-bred or improve
your property.

Those of our citizens who had a
little time on their hands Tuesday
morning were entertained for an
hour or so when a cattle beast be-
ing brought to town by Mr. W. An-
drews of Glenbig, decided to run
things on its own and instead of
passing peacefully down the street
to the weigh scales made for the
river. There was some excitement
for a time and a lot of advice as to
how to recapture the animal, but as
the river was rather deep and the
current swift it was soon subdued.
Hillard Campbell was the only
casualty and was hit by the pass-
ing animal and knocked down as it
made its way to the river but was
not injured.—Durham Chronicle.
