One of the best attended and most interesting meetings of the series which has been conducted under the auspices of the local Farmers' Club during the winter months, was held in the school house on Monday evening of this week. The feature of the program was a play entitled "The obstinate family" which was well put on by six members of the community namely: Mr. and Mrs. Frank Davis, Messrs Howard McGee and Roy Freeman and Misses Myrtle Freeman and Verna Boland. All took their parts exceptionally well and are entitled to congratulations as this is the play that is being used in the Farm Youth Association competition. It is hoped and expected the young people will enjoy it and they will no doubt make a good showing. Mr. F. R. Oliver, M.P., addressed the Club for about three quarters of an hour on the subject of rural Hydro and Township school boards. He gave the arguments pro and con on both these subjects as well as his own opinions on the matter. His address was exceedingly interesting and was well received. Other numbers were well rendered solo by Mrs. Chas. McClean and Miss Dorothy Halbert and a reading by Mr. Howard McGee in his usual good form and music by Mr. Sam. Gilbert and Mrs. F. R. Boland. An interesting feature of the program was the community singing led by Messrs. Howard McGee and Howard McGee. Some of the songs were: "Hall, Hall the gangs all here", "It's a good time to get acquainted", "It isn't any trouble just to smile", and "Parquhar Oliver is the best man in this town". Mr. Chas. Boland occupied the chair. The meeting was the climax of what was undoubtedly one of the most successful, interesting and well attended series of debates ever conducted in this community, and which were held every two weeks during the past winter under the auspices of the Farmers' Club.

Only on light land is any spring work being done on the land. Sugar-making operations are being wound up this week. Messrs. Dave Ritchie and Geo. Jones of Durham were cross-cutting wood for us four days of this week. After spending a week in Toronto, Miss Margaret Dunbar is back home again. Mr. Lauchie Dunbar left last week for Detroit where a good position awaits him. Mr. John O'Neil went down to Toronto, purchased a nobby, new Ford auto, came around home by Paris, visiting kindred there and brought Mrs. M. Burke home with him. Mr. Oren Peart purchased a Whip-pet coupe this week and is only waiting for the mud to dry up, before going for some joy rides. W. H. Edwards finished his examinations at Varsity on Tuesday, and the same evening will land at Markdale to enter the employ of the Hydro at Eugenia. There's a great deal of sickness in the country and some very sad bereavements. Wilfred Quillinan, second oldest son of Mr. and Mrs. M. Quillinan passed away at one o'clock on Tuesday morning, after a three days' illness from kidney trouble. He was in his 18th year, was a youth of fine type, most likable, courteous to everybody and a splendid worker. A couple of years ago he suffered from a severe attack of pneumonia and the poison remained in his system. He, however, was going about until Saturday. Miss Katie arrived home from Toronto on Monday and his older brother, Joe, is expected from Detroit today (Thursday). The funeral is to take place to St. John's on Thursday morning. The sympathy of the whole community goes out to the grief stricken parents and brothers and sisters in the loss of one so lovable and promising.
