A Record of Production

During the season of 1927 we manufactured close to a half a million pounds of butter. This is a far greater make than any creamery in Markdale manufactured before. This alone WILL PROVE THAT WE HAD A LARGE NUMBER OF SATISFIED PATRONS.

To those who are not our Patrons yet, give us a trial and we will be sure to satisfy you too.

Our aim: "To give satisfaction to our Patrons."

One trial convinced Patrons who used to ship elsewhere and they are our steady Patrons now.

For the convenience of our Patrons we will keep open Saturday night starting April 28th, 1928, and continuing until further notice.

If you are unable to bring your cream to the creamery yourself, phone us and our truck will call.
