Berkeley United Church Sunday School has been re-organized with Mr. Thos. Higgins as superintendent and Mrs. Gilbert Meland, Mrs. Nelson Kirk and Mrs. Geo. Caswell as co-teachers. The school is held in the basement of the church on Sunday mornings from 10:30 to 12:00. A new curriculum has been adopted for the morning session and the afternoon session. The new curriculum is more up-to-date and includes more practical work. The school is open to all children of all denominations. The school is held in the basement of the church on Sunday mornings from 10:30 to 12:00.

leads the adult members of the congregation in study and discussion. The service is over for the children and adults at the same time. This plan seems to be appreciated and will not only be of interest to the parents but will be of advantage to the children. Those present last Sunday morning were divided into groups with captains and each group invited others to attend. A red ribbon button is presented to each pupil and a record of attendance for three months will be kept. An interesting contest is expected to follow. The winners will provide the lunch for the Sunday School picnic. Next Sunday evening lantern slides in hall will be shown.

Mr. John Morrison happened with a bad accident one day last week while buzzing wood at Mr. Lance Hutchinson's on the Towline A. & E. The balance wheel of the saw came off the shaft striking Morrison on the arm near the wrist joint fracturing the bones. Much sympathy is felt for him as it will lay him off for the spring work. We hope for a speedy recovery.

Mr. Richard Fawcett had the misfortune to get a small bone broken in the instep of one of his feet while buzzing wood at his own place a few weeks ago. It was not thought to be very serious at first but he is using the crutches to get around and his friends will be pleased to see him well enough to lay the crutches away.

Mr. Chas. Wright recently purchased the stable near the Orange Hall from Mrs. W. Menary, and had some men pulling it down on Monday of this week.
