A very nicely worded address was read by Miss Georgina Smith and the presentation of a purse of about $13 was made by Mrs. Alex. Hoy on behalf of the people. Mr. Genoe made a neat reply thanking their many friends for their gift.

Mrs. Wilson, who has spent the winter in Markdale, has returned to the village. Her daughter, Mrs. Roy MacMillan and husband and little daughter of Markdale spent Sunday with her.

Mr. W. E. Walker has purchased a fine team of work horses from Mr. Cardwell Graham. Mr. Albert Williams has also bought a new work horse.

Messrs. L. Burns, W. Boales and M. Walker of Markdale spent over the week-end at their homes here.

A regrettable error appeared in Riverdale news last week. An item stating that Mr. W. Irving of Orange Valley buzz sawed wood for a citizen of this vicinity should have read Mr. A. Bowen of first avenue east.

Riverdale has long been renowned for its up-to-date early business activities and this well known fact has recently been magnificently verified as a young man in this farfamed beauty spot was recently observed going strong with agricultural operations at five o'clock in the morning. Come on Union Hill show signs of life.

A. Y. P. A.

The A.Y.P.A. of Christ Church were hosts on Monday to the Chatsworth Branch. Following the regular opening office, the visitors were welcomed by the local president, and the evening was spent in games followed by a short musical program and lunch. Rev. Government Decision

Only "Frost Wire Fencing" and "Frost Gates" to be erected along all highways as nothing but the best must be used. Fences all over your farm are just as important. Call and get prices on all Frost Fencing and Extra Galvenized Gates, all the best farmers use nothing but Frost Wire.
