Will you, too, be surprised

"It was a delightful surprise" writes a Toronto subscriber—"to find that I could talk to my Mother as far away as Sarnia for only 55 cts, by the Evening Rate. I'm sure few people realize how very little it costs to telephone even to points as far as Sarnia by Evening Rate, and you would do the public a service by emphasizing this point."

This is only one of many instances showing that rates are so low that you can talk to your Mother as far away as Sarnia for only 55 cts, by the Evening Rate. Call up our Manager and ask him the Evening Rate to some point you are particularly interested in. You, too, will probably be surprised.
