Grey Presbytery

The Spring Meeting of the Grey Presbytery met on Tuesday, May 1st, in Annesley Church, Markdale. Nearly all the churches in the county were represented. Routine business occupied much of the day but some items may be of general interest. Nominations to the Settlement Committee were Rev. W. H. Smith of Durham and Rev. J. L. McFinnis of Owen Sound with Rev. J. E. Peters of Meaford and Rev. A. D. Cornett of Owen Sound as alternates. The nominations for commissioners to the General Council to be held in Winnipeg in September: Rev. J. E. Peters of Meaford, Rev. W. J. Scott of Owen Sound, Mark Armstrong, Esq., Markdale, and Homer Reid, Esq., of Meaford. Encouraging reports were presented of the work of the past year. A significant increase was shown in the givings to the Maintenance and Extension Fund, several charges exceeding 100% of the twelve months allocation in the 9 month period. An urgent appeal was made for all the churches to reach the allocation this year. It was a very delightful gathering continuing from 10 a.m. till 11.30 p.m. with recesses for meals. The Ladies of Annesley provided dinner and supper and a very hearty vote of thanks, sponsored by Rev. C. E. Kenny and J. L. McFinnis, was tendered the ladies for the excellent meals provided, to the trustees of Annesley Church and to the caretaker, all of which provided so much for the comfort of the delegates.

Markdale Won Debate

Markdale debaters won the final in groups one of the Young People's Union of the United Church held in Flesherton on Monday evening last. Dundalk was represented by Miss Elva Russell and Mr. Frank MacIntyre who upheld the negative side of the subject "Resolved that the Inventor has contributed more to the happiness of humanity than has the legislator." Markdale was represented by Messrs. Aubrey Foster and Milson Henry who presented arguments enough to get the decision. They are now qualified to go into the District finals, where no doubt they will be able to continue to win the laurels.

"It actually irritated me to have anyone talk to me. I was so nervous. Vinol ended this and I feel wonderful now."—Wm. Faby. Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Johnston - Acheson

On Wednesday, April 18th, at the home of Mr. and Mrs. W. G. Acheson, Bethel, there was solemnized, in the presence of about forty guests, the marriage of their daughter, Margaret, to Mr. William Johnston, son of Mr. and Mrs. Richard Johnston, of Markdale, Ontario. The bride, who was given in marriage by her father, was attractively gowned in peach crepe-de-chine. Rev. R. A. Spencer, of the Dundalk United Church circuit, officiated. The wedding ceremony was performed beneath an alcove of pink and white, with floral background. Following the wedding luncheon, the bridal couple left on the evening train for a honeymoon trip to Toronto, Niagara Falls and Woodbridge, the bride travelling in a dress of navy Swiss embroidered georgette over Saxe canton crepe, navy tulle coat, and hat of crabapple and rose-wood tones. On their return, Mr. and Mrs. Johnston will take up residence on the groom's farm near Markdale. With them go the good wishes of a large circle of friends for a happy and prosperous journey through life.—Dundalk Herald.

Rev. G. Quintin Warner to Visit Markdale

The congregation of Christ Church is indeed fortunate to have secured Rev. G. Quintin Warner for their services on Sunday evening and next week. Judge Warner, as he is widely known on both sides of the line, is much sought after as a speaker because of his wide knowledge of the problems of to-day, and his broad sympathies as well as being prominent in other great social movements. Mr. Warner is convenor of the committee on social service in the Diocese of Huron, and member of the General Synod of Canada. During the past five years, as well as in his many other activities, he has met with phenomenal success as Rector of the Cronyn Memorial Church in London. Mr. Warner is a real man, who lives in a real world, and is no shallow thinker nor dream theorist, and he has a positive abhorrence of sensationalism. It is hoped that a goodly number will take advantage of this opportunity to meet and to hear Mr. Warner on Sunday evening and during next week.
