### Miss Middleton's Sister Dead

Miss Margaret Middleton, of this place, has the sympathy of her many friends in the tragic death of her sister, Mrs. E. Winter, of Brown City, Michigan. The death took place on the 11th of April. It appears that Mr. Winter had been bothered in keeping muskrats away from his water tank and on this day in question took down his gun in a determination to finish the pests. On completing the shooting he brought the gun into the kitchen of his home to clean it out, thinking it empty. However there was still another cartridge in it, and Mrs. Winter, who was standing near by at the time, received the full force of the blow. A doctor was hastily summoned but she passed away ere help arrived. Mr. Winter feels keenly the result of the affair.

The late Mrs. Winter leaves with her husband to mourn her loss six children, five boys and one girl; also two sisters, Mrs. A. Crutchley of Durham and Miss Margaret Middleton of Markdale and one brother, James Middleton in Northern Ont.

### Chas. Hickling Passes

Mr. F. H. W. Hickling attended the funeral of his cousin, Mr. Charles Hickling, who passed away at Toronto on Saturday last, aged 56 years. The deceased was an invalid for a number of years and was a son of the late Jonathan Hickling, formerly of the 8th Line, Artemesia. Service was held at his late residence, 49 Hazleton Ave., Rev. Canon Cody officiating at the house and grave. Interment took place in Mt. Pleasant Cemetery. He leaves to mourn his loss two sisters: Maria (Mrs. Conell) of Caledonia, Elizabeth of Toronto and Fred, also of Toronto. Deceased had been living in Toronto for about ten years, moving there from Collingwood where he had resided after leaving the farm.—Flesherton Advance.

The late Mr. Hickling was a cousin of Mrs. Richard-Smith of this place.

### Mission at Christ Church

The Mission services at Christ Church are being very well attended and the addresses by Rev. G. Quintin Warner are much appreciated. No attempt at the sensational is attempted and the talks are practical, up-to-date and meet a very real need. A quiet service of Holy Communion is conducted each morning at 8 o'clock, at 4 p.m. each day there is a meeting for instruction which has been greatly enjoyed by all able to attend. The evening meeting at 8 o'clock has been featured by addresses based on the twenty-third psalm, which will be continued to the end of the mission. Mr. Warner is most generous with his time and a large number have taken advantage of his visit to meet him for interviews at their homes. The increasing interest that is being shown in these meetings suggests that the remaining few days will be all too short for those privileged to attend.
