WATERBURY'S KIDNEY PILLS

Don't let the Martins get away from you!
"I'm sorry the Martins are moving away," said Mrs. Drummond to her husband. "It will mean that we are going to lose track of some very nice people!"
"i don't see why it should. If a good customer of mine moves away we follow him up by Long Distance. Don't let a little thing like distance separate you from the Martins!"
A great change has come over Long Distance telephoning. Now it is almost as rapid as local telephoning. You give Long Distance the distant number and, in a great majority of cases she is able to make the connection. The Long Distance operator will tell you if you don't know it, and tell you what it is.
Still better, give us a list of the friends or customers you are likely to talk with. We will add the numbers and return the list to you.
