Department of Agriculture

Grey County Farmers' Tour

Because of the interest aroused through the success of the visit of the Wentworth County farmers to Grey County last year, many have intimated the wish that something similar be done for the Grey County farmers. Accordingly, at the request of the Grey County Advisory Agricultural Council the—

DEPARTMENT OF AGRICULTURE
MARKDALE, ONTARIO,

are undertaking the oraganization of the first annual Grey County Farmers tour.

The date has been set to coincide with the Grey County Farmers' Day at the O.A.C., Guelph, Wednesday, June 20th and Thursday, June 21st. This is done so that the farmer tourists will have an opportunity of seeing the O.A.C. during farmers week.

The trip will be through the beautiful Niagara Fruit Belt, the exceptional farming districts of Wentworth, through historic Lincoln and Welland and the great stock Counties of Wellington, Waterloo and Brant.

The Hon. J. S. Martin personally invited the farmers on the tour to visit his farm and see his Wyandottes and Guernseys. Tobacco farms will also be visited in Norfolk.

How many Grey County farmers never saw the Niagara Falls when it was illuminated by its own power? This will be included in the trip with other interesting features.

Arrangements of detail will be made as soon as a sufficient number have applied. All will be notified of these plans.

Those wishing to go are requested to write T. S. Cooper, before June 10th. This is necessary for the arrangements with the Transportation companies as they must be notified in time to be assured of securing the necessary busses.

Farmers are given the preference but should others desire to go arrangements will be made for them if application is made before date set.

The bus company charges 50cts per mile but each bus will take 29 men therefore, the cost of the trip will rate about 1 and two-thirds cts. per mile per person going. The transportation will therefore cost approximately $4.00 which with meals and one night's lodging will not amount to a sum exceeding $12.00.

Every farmer in Grey is invited. Letters have been sent to a number but the Markdale Department of Agriculture finds it impossible to write everybody. All who can come will be welcome.

The folowing letter has been sent to a number of farmers in the County:—

Farmers,
Grey County.
Dear Sirs:—

Because of the interest aroused through the success of the visit of the Wentworth County Farmers to Grey County last year, many have intimated the wish that something similar be done for the Grey County farmers. Accordingly at the request of the Grey County Advisory Agricultural Council the—

DEPARTMENT OF AGRICULTURE
MARKDALE, ONTARIO

are undertaking the organization of the first annual, Grey County Farmers' Tour.

Important points to remember are:

1. Men taken only.
2. Dates, Wednesday and Thursday June 20th and 21st.
3. Large buses holding 29 men each will be employed if sufficient numbers apply.
4. Places visited, O. A. C., Guelph, Hamilton, Vineland, Horticultural Station, St. Catharines, Niagara Falls Welland, Dunville, Cayuga, Simcoe, Brantford, Paris, Galt, Kitchener and Elmira.
5. 400 miles approximately.
6. Total cost will not exceed $12.00. This includes, travelling, board for two days and room for one night.
7. Application must be made by June 15th. This is necessary to make arrangements for busses.
8. If sufficient numbers apply which makes the trip worth while, a deposit of $5.00 which pays for a seat in the bus will be required on or before June 15th. This is the final date for notifying the Transportation Company of the bus requirements of the Grey County Farmers' Tour.
9. Send no money till requested but send your own application and see all your friends and neighbours at once.
10. When final arrangements are made, notice of same will be forwarded to applicants.

In as much as this trip covers the Counties of Wellington, Wentworth, Lincoln, Welland, Haldimand, Brant and Waterloo it should prove a real holiday. You tour with your personal friends so a real time be yours should you come.

Awaiting application, we are,

Yours very truly,
T. Stewart Cooper,
Representative for Grey County.

Its Habits Produce Constipation, which "Fruit-a-tives" Corrects

MONTREAL, Que., — "After suffering many years from constipation, I was advised to try 'Fruit-a-tives.' All my ills are gone now." Mrs. H. Godin.

Indoor work, soft, rich foods, lack of exercise impair our bodily functions. The most common evidence is constipation. Normal intestinal activity, denied to most of us by our way of living, is restored and maintained by "Fruit-a-tives," made of the juices of fresh, ripe fruit, blended with health-building tonics.

A Record of Production

During the season of 1927 we manufactured close to half a million pounds of butter. This is a far greater make than any creamery in Markdale manufactured before. This alone WILL PROVE THAT WE HAD A LARGE NUMBER OF SATISFIED PATRONS.

To those who are not our Patrons yet, give us a trial and we will be sure to satisfy you too.

Our aim: "To give satisfaction to our Patrons."

One trial convinced Patrons who shipped elsewhere and they are our steady Patrons now.

For the convenience of our Patrons we will keep open Saturday nights, starting April 28th, 1928, and continuing until further notice.

If you are unable to bring your cream to the creamery yourself, phone us and our truck will call.
