Arnott Community Picnic

A splendid crowd attended the Annual Arnott Community Picnic in Merriam's Grove on Saturday, June 30. The young people were quite enthusiastic in the races and afforded much fun for the older folk. The men had a fine afternoon's fun in the horseshoe pitching tournament. As usual, the booth, in the very capable hands of the energetic president and secretary, did a flourishing business. Snapper was all that one could wish for such an event, and the softball game of "pick-up sides" by the men provided plenty of fun for those looking on. The Institute wish to thank those who assisted in making this picnic such a success, and especially do they appreciate the kindness of Mr. and Mrs. Merriam for the use of their home and also the Grove. The following list is of the winners of the different events:—

A very happy gathering was that at the residence of Mr. and Mrs. Geo. The music of Chatsworth will be greatly the loser by the removal from our midst of Miss Minnie MacGregor, daughter of the late Doctor and Mrs. MacGregor, who formerly lived in this place. Miss MacGregor served for some months as organist in St. Andrew's Presbyterian Church, and later in the same capacity in the United Church. She also played frequently at week-day meetings in the village hall. A real artist in music, and a most conscientious and original teacher, she filled a place that few in a place as small as Chatsworth can ever fill. As a sample of the painstaking effort which she generously undertook for the benefit of her pupils, may be mentioned the club for Ignitors for the study of the lives of great musicians. Miss MacGregor's friends regret that her exceptional personal modesty led her to slip away without notice—an effective preventive of farewell ovations which of right should have been tendered to her. The Banner wishes her all happiness and good fortune in her future work and home in the West.

Mr. W. S. W. Breese ("Billie"), son of Mr. and Mrs. S. H. Breese of Chatsworth, is busy these days opening congratulatory letters that have come to him on his latest honor, that of having had conferred upon him the War Memorial Fellowship of the Alumni Federation of the University of Toronto. Billie began his education in the school here, spent a year in Owen Sound at the O.S.C.I., then entered Victoria College, University of Toronto, from which he graduated in '26 with the degree of B.A. During that year he was President of his "year", received the "Athletic Stick", and was put on the Permanent Executive. Later he took the M.A. degree from Toronto University. The summer of 1926 he spent "out West" in charge of a mission appointment at Lestock. A year ago he went on the staff of the United Wesleyan College at Stanstead, Quebec, in the capacity of Dean of the Residence, being also on the teaching staff and having charge of the athletic. After holidays he will go back to Toronto University to qualify for the degree of Ph.D. "Best of all" as a villager remarked the other day, "Billie never gets the big head, no matter what success he has."

The Elder - Irvine Wedding

A very pretty wedding took place at the home of Mr. and Mrs. Geo. Irvine, near Massie, on Wednesday evening, July 4th, when their daughter, Miss Lella, Irving, became the bride of Mr. Ivan Elder, also of Holland. Rev. John Graham of Chatsworth conducted the ceremony, which began at five o'clock.

The bride, who was unattended, wore a pretty frock of rose beige crepe romaine, with bandeau and tulle bridal bouquet. After the ceremony the guests, about 45 in number, sat down to the bride and groom, all of whom were decorated with floral festoons. Later the happy couple left on a wedding trip to Toronto and Niagara.

Wearing a going-away costume of blue broad crepe, with beige hat and hose. On their return Mr. and Mrs. Elder will live on the Fourth Concession of Holland, where the many beautiful wedding gifts received will find place in the new home.

Mrs. Robert Mitchell

On Sunday last there passed away at the home of her son-in-law, Mr. John Hemstock, Sullivan, Mrs. Robert Mitchell, one among the last of the pioneers in this vicinity, at the ripe age of 85 years. Mrs. Mitchell had been an invalid for many years and had been confined to her bed for the last five years, but she bore her long suffering with wonderful patience and Christian fortitude, even with a cheerfulness that was a marvel to friends who visited her.

Mrs. Mitchell, whose maiden name was Mary Edgar (daughter of the late Joseph Edgar) was born at Smith's Falls, but came at an early age to the Second Line of Holland, where she was married in 1861 to Mr. David Coulter. In 1875 Mrs. Coulter was left a widow, with a young family of five sons, Joseph, Edgar, Samuel, David and William, and three daughters, Martha, Isabel and Elizabeth. In 1884 she was married to Mr. Robert Mitchell, of Sullivan, and two daughters, Ethel and Sadie, were added to her family. Ethel becoming the wife of Mr. John Hemstock, of "Hemstock's Mills," Sullivan.

During the time of her active life, Mrs. Mitchell regularly attended the Presbyterian Church in this village; and she was a life member of the Women's Foreign Mission Society of that church.

She is survived by four daughters: Mrs. Geo. Bayley, Valor, Sask.; Mrs. Thos. Pringle, Chatsworth; Mrs. John Hemstock; Miss Sadie Mitchell, Toronto; and sons: Mr. Joseph Coulter, Toronto; Mr. Edgar Coulter, Los Angeles, Cal. (at present in Germany, where he will remain for a year). A brother, Mr. Joseph Edgar, lives at Shallow Lake. Surviving step-children are: Mrs. R. Craven, Togo, Sask.; Miss Joan Mitchell, Saskatoon; Miss Annette Mitchell, Vancouver; Mr. Alexander Mitchell, Missouli, Montana, and Mr. Robert Mitchell, Rossland, B.C.

The funeral was conducted by Rev. John MacKinnon of Chesley, formerly pastor of the Presbyterian Church, Chatsworth, assisted by Rev. S. Martin of Chatsworth United Church. Many very beautiful floral tributes spoke of the love and respect of relatives and friends for her who is gone "yet liveth."

The sympathy of the community is extended to those who mourn.

Horticultural

Special Prize for Bird Boxes

Some time ago the Editor of The Banner announced an intention to offer a special prize for best bird box, provided the idea was acceptable to the Executive of the Horticultural Society, in view of their flower show to be held August 22nd in the rink at Chatsworth. Having now authority from that body to "go ahead," she is pleased to give the following requirements.

Box for house wren: Depth 6 to 8 inches; inside diameter 4 inches; diameter of entrance hole, 1 inch; height of entrance hole above the floor, 3 or 4 inches. When set in place the box should be 6 to 10 ft. above ground; this information should be written on a card placed with box at the "show."

Box for bluebird: Depth 8 to 10 inches; inside diameter 5 to 6 inches; entrance hole diameter 1½ inches, 6 inches above floor. Box to be placed 5 to 8 ft. above ground (written on card.)

Box for chickadee: Depth 8 to 10 inches; inside diameter 4 inches; entrance hole diameter 1¼ inches, 8 inches above floor. Box should be 6 to 10 ft. above ground (written on card.)

Box for purple martin: Purple Martins usually nest in colonies, therefore require a large box with several apartments. This box may be one or two storeys, or more. An 8 or 10-roomed house is generally large enough. Each room should be about 6½ inches, by 8 inches high, and should be separate, with but one entrance, which is best cut near one side of the room, and should be 2½ inches in diameter and on a level with the floor. A ledge about 4 inches wide should extend along each eave in front of the openings, for a perch for the birds; or each hole may have a separate platform. Such houses are best on a special pole, at least 15 feet above ground (written on card.)

The above specifications have been taken from Mr. Chas. W. Nash's bulletin, "Birds of Ontario in Relation to Agriculture," issued by the Ontario Department of Agriculture, which can probably be obtained by writing to that Department, Parliament Buildings, Toronto.

It may be necessary to state that birds do not like fancy houses painted in bright colors. The more closely the box can be made to simulate nature, the better. Cover with bark, or paint to harmonize with the surroundings.

For the above 4 prizes will be offered, to boys from 12 to 18 years. Work must be entirely their own. One box to be submitted by each competitor.

(1) First prize for box for Wren, Bluebird or Chickadee.

Second prize for box for Wren, Bluebird or Chickadee.

Prizes given by Miss A. M. Wilson.

(2) First prize for colony box for Purple Martins.

Second prize for colony box for Purple Martins.

Prizes given by Miss Bernice Wilson.

"Birds and gardens go together," since birds help the gardener, the orchardist and the farmer by eating insects. Also surely they pay their way by their beauty and their song.

Mr. Nash says "Many of our birds may be quite readily induced to take their residence with us by providing them with suitable places in which to nest."

The boxes may be protected from cats by placing a disc made of tin about the pole, below the box. While the fledglings are learning to fly, the cat should be caged—say in a poultry crate, or slatted box made for the purpose.

The bird boxes shown at the show will be, of course, too late to use this year, but can be held over until next spring.

Grey County Ladies' Tour

At the request of a number of the farmers who went on the Grey County Tour and also a number of the ladies in the County it has been decided to organize a Grey County Ladies' Tour. This will be taken to Guelph, Hamilton, Niagara Falls, returning via Toronto and Brampton. At time of writing the complete arrangements have not been made, consequently detailed information cannot be given. The Tour will leave Grey County on July 12th, returning the following day.

The Tour will only be conducted if there are sufficient numbers to depart. Fuller details will be given in the course of a week as all the applicants must send their names to the Department of Agriculture, at Markdale, not later than July 10th. The details of the Tour are very similar to those of the tour which was recently completed by the farmers.

Chatsworth Anglican Church Garden Party

Fortune again smiled on Chatsworth Garden Party efforts, and the weather could not have been better for the big annual affair given by the Anglican Church in the usual meeting place, the Agricultural grounds and-hall.

A large crowd gathered to partake in the sumptuous repast served on tables prettily decorated with pink and white pommes, and to be entertained by the concert in the evening. After supper a football game was played between Chatsworth and Sirathroth. The evening entertainment, at which the Rector, Rev. J. Graham acted as chairman, was in charge of Mr. Clements, organist of St. George's Anglican Church, Owen Sound, who brought with him an excellent orchestra, a quartette from St. Andrew's Church, Owen Sound, and an entertainer, Mr. Donald Patterson.

To the question "What orchestra is it?" Mr. Clements replied, "Just a party of enthusiasts who have been meeting for practice on Saturday nights."

Particularly interesting to Chatsworthites was the violin solo work given by Mr. Horace Vick, son of Mr. Joseph Vick, who at one time lived in Chatsworth. Mr. Vick played with excellent technique and fine expression, although handicapped by the fact that a skating-rink is not the best place in the world for fine artists in music. It would not surprise those who heard him to hear, in future, that he had gone far among the musicians of Canada.

The Anglican Church, and especially the ladies, who did so very well towards the carrying out of the garden party, are to be congratulated on the success, in every way, of their undertaking.
