MARKDALE, ONTARIO, THURSDAY, JULY 19, 1928

\$2.00 PER YEAR IN ADVANCE

**Eugenia**  
Born—On Thursday, July 12th, 1928, to Mr. and Mrs. Albert Williams (nee Miss Marguerite Pedlar),—a daughter.  
Mr. and Mrs. Harold Falconer and children visited in Durham one day last week. Little Miss Louisa Falconer accompanied them home to spend a few holidays here.  
Mr. Wesley Cooley of Toronto visited over the week-end in the village.  
Miss Mabel Hoy, accompanied by Mr. and Mrs. Danisher and daughters, Peggy and Etta, of Toronto spent the week-end with the former's parents, Mr. and Mrs. A. Hoy. The girls remained for a fortnight's holidays.  
Quite a number from our village took in the celebration at Fiesherston on the 12th. There was a large crowd and a good time is reported. There were some from this vicinity celebrated in Owen Sound, where there was also a good celebration.  
The Misses Ella and Jean Purvis of Collingwood and Mr. J. McCurdy of Toronto are holidaying with the former's grandparents, Councilor and Mrs. Purvis.  
Mrs. Smith and friend of Toronto spent the week-end with her son,

Bert, at the home of Mr. and Mrs. A. Hoy, before going to the summer months.  
The Hydro Park is becoming more attractive in appearance. Mr. Proctor is painting the buildings and guns and trimming some of the trees. Mr. Hoy is erecting a flag pole in the Memorial Plot.  
Mr. and Mrs. Will Williams and Mr. and Mrs. Edwin Purvis and children of Toronto visited over the week-end with relatives here. Mrs. Purvis and children remained for a few holidays.  
On Sunday night the village was set astir again over what might have proved a disastrous fire, and swept out most of the village as there was quite a high wind. Between 10 and 11 o'clock a fire was noticed in Mr. H. Cairns' stable by a young lady and gentleman. A man was seen coming out of the stable as the fire proved a back-ground for his figure. Quickly the young couple rushed to the fire and soon extinguished it or the result might have been that several buildings would have been devoured by the fire. It is rumored that the guilty party is known, but we hope it is none of our loyal citizens.  
Mr. and Mrs. J. L. McMullen of Ceylon and Miss Perrot of Toronto visited with Mrs. Jacob Williams.

Messrs. Chas. Martin and Harold Falconer shingled part of Mr. Elijah Paul's barn roof this week.  
Mr. and Mrs. C. D. Stewart and daughter of Niagara Falls, N.Y., visited with the former's aunt, Mrs. J. Williams.  
**Forty Years a Blacksmith**  
One day last week little Willie Campbell of Toronto celebrated his 8th birthday by entertaining 20 of his young friends in the park. On the same day it was the 40th anniversary of his great uncle's (Mr. Jacob Williams) term of blacksmithing, as he had commenced his apprenticeship 40 years ago on the same date. We wish Mr. Williams many more successful years in business along with good health, and we wish little Willie many happy returns of his birthday.

The Moving Picture Show and Welter Roast under the auspices of the W. I., which was held in the school on Monday evening, July 16, was a very successful and enjoyable affair. Mr. T. S. Cooper, the energetic and obliging Agricultural Representative of Grey County, put on some interesting pictures. These were interspersed by various musical numbers which were as follows: Violin music by Mr. Harry Cherry with Miss Olga Lawson accompanist; Violin music by Mr. Howard Dennison with Miss Madeline James accompanist. A duet by Mrs. W. W. Alcox and Mrs. Ed. Bradley; also a duet by Mrs. W. A. Dickie and Miss Olga Lawson. Mr. A. S. Mitchell acted as chairman in his usual pleasing manner. Mr. Cooper received a hearty vote of thanks for his splendid entertainment as did also those who provided the musical part of the program. The spirit of the National Anthem day of this part of the evening proved to be a success where a winner was much enjoyed by all.

### Many do not yet realize this!

"My bill for that call was 60 cents," said Mrs. King, "and Mrs. Jones paid 75 cents!"

The explanation is that Mrs. King had said to the operator "I will speak to anyone there!"

That made it a Station-to-Station call.

Station-to-Station calls are quicker and about 20 per cent cheaper than person-to-person messages. Moreover, low evening rates (after 8:30 p.m.) and still lower night rates (after midnight) apply on station-to-station calls. And connection is usually established while you remain at the telephone.

Remember please—station-to-station calls are quicker and cheaper.
