Many do not realize how inexpensive Long Distance really is.

The old lady had never spoken over a long distance line before—but she was so hungry for the sound of her daughter's voice.

The operator was kind and helpful and in a moment the beloved voice was sounding in her ear.

And when the telephone bill came the found the call had cost only 45 cents.

Now the Sunday evening talk is a regular thing. More—it now costs only 25 cents. Instead of asking for her daughter by name, mother gives "Long Distance" the distant number—hence the charge (after 8.30) is only 25 cents.
