Get Copy in Early

While this paper is dated Thursday it is printed Wednesday evening of each week, which necessitates everything being ready Wednesday at noon. Of necessity, quite a portion of the matter for the paper must be in our hands by the end of the week or by Monday noon in order that we may have any chance to handle it in regular hours. Display advertising should never be later than noon on Monday. The public having fallen more and more in the habit of holding off matter until Tuesday, we must request a change. If you have matter for publication in future, kindly do your share to help by getting it to us as early as possible. We aim to please, but all the work of preparing this paper for publication each week can not be done in one day.

Lover of Trees

Your ghost will walk, you lover of trees,
(If our loves remain)
In an English lane,
By a cornfield's side a-flutter with poppies.
Hark, these two in the hazel coppice—
A boy and a girl, if the good fates please,
Making love, say—
The happier they!
Draw yourself up from the light of the moon,
And let them pass, as they will too soon,
With the bean flower's boon,
And the blackthorn's,
And May and June!

Tourist traffic to Saint John this season is the largest in its history, and so far is equal if not greater than during the whole of last season. Tourists started arriving earlier this spring, and have continued in much larger numbers than in other seasons.

Colonel Scott, who is successfully producing tulip bulbs at Salmon Arm, British Columbia, believes that the industry has a future. He has one acre under this production with drying, cleaning and storage sheds. He grows fifty-two varieties of bulbs and has about a quarter of a million bulbs on hand growing.

The Alberta Amateur Championships will take place shortly at Banff, Alberta, where the annual Highland Gathering and Scottish Musical Festival is being held from August 31 to September 3. An elaborate programme has been arranged of a Scottish character, many of the athletic contests being peculiar to that race, such as tossing the caber and putting the shot.

Plans are reported to be on foot among sheep raisers to establish in Vancouver a wool grading centre similar to that functioning in Trenton, Ontario, where at present most of the wool business of Canada is conducted. An authority states this would probably have the result of increasing the returns to the producer from 25 to 50 per cent.

Although the automobile is sometimes said to be a rival to the railroad, it gives the latter a great deal of traffic. The number of freight cars used by the Canadian Pacific Railway for the transport of automobiles has doubled during the past five years, and the latest order of 300 new cars for the company has just been completely filled.

The second school car operated jointly by the Canadian Pacific Railway and the Ontario Department of Education has been issued from the Angus Shops, Montreal, for service in the district west of Fort William. The car is a remodelled first class coach equipped like an up-to-date "little red schoolhouse" with bright classroom, with blackboard, globe, school books, regulation desks, and so forth; a library for the use of students and adult visitors as well; and comfortable living quarters for the teacher. The school car is able to reach remote areas where permanent school facilities are not available.
