League of Nations

Chinese Coins Phrase The latest definition of the function of the League of Nations is given in an article in "Interdependence", a monthly review of the League of Nations Society in Canada, in a story copied from the New York Times. Many words have been written in attempts to define the scope and purposes of the League of Nations. . Today a Chinese summed it up in three when he said the League was "a

shock absorber"... When this terse phrase was drop ped by Wang Ching-Chi, spokesman for Nationalist China, Aristide Briand, who was nodding, came quickly to attention; Herman Meuller peered with sharp interest through his inevitable spectacles and George Bernard Shaw, who was in the gallery,

Labor and Its Life

London Observer (Ind.): Labor in its most ambitious mood has no desire to take over a country made bankrupt by industrial dissensions. It realizes, too, that weak though capital may be when confronting a democracy, it has an immense economic advantage. Its, mobility per mits it to abandon a stricken field whereon Labor must stay and starve. Appreciating these facts. Labor is rmulating two principles of actionn politics, independence: in economics, co-operation. It may go forward confident that its political opponents understand and welcome its
