Visited Again by Fire Demon
The residence on the Mr. Joseph Hawlens farm on the 5th Line was completely destroyed by fire on Saturday morning of last week. About 7 o'clock a.m. the fire was first noticed by some men going to work. Nothing could be done to extinguish the fire as it appeared that there were fires here and there throughout the whole interior and it was only a matter of a few minutes and the whole house was a seething mass of flames. This was a large old house of frame structure, well-constructed of good timber and would have stood for years yet. The contents in the house belonged to Mr. Joseph Hawlens, who did not carry any insurance on them. We extend our sympathy to Mr. Hawlens, who feels the loss keenly, as money cannot replace many articles which he prized greatly on account of their belonging to his parents. There was some insurance on the house. The fire is a complete mystery as no one had been living in the house but it is thought that it was incendiary work.

The W. M. S. held their annual district offering meeting in the United Church here on October 18th in the afternoon. There was a large number of Markdale Ladies present. A good program was presented, consisting of hymns, readings and singing. The offering was \$15.00.
