Sunday night after church Both the Henderson boys are far away from the old home. But Sunday is still a very special day for Father and Mother, for every Sunday night after church the telephone bell rings and the old folks know that one of the boys is calling them from the distant city.

Harry calls one week, and Fred the next. Long Distance is wonderful for keeping family ties strong. It is so simple, so inexpensive, to call distant friends for a few minutes' chat. And how welcome is the sound of their voices!

Do you call friends by Long Distance? The Evening Rate after 8.30 is very low.
