Mystery and Mirth Share Double Honors in Screen Version of "The Gorilla"

All-Star Cast Headed by Charlie Murray and Fred Kelsey, Appears In Picturization of Famous Broadway Mystery-Comedy Now at the Princess

Combining the last word in chills with the last laugh in morriment, the picturization of Ralph Spence's famous mystery-comedy, "The Gorilla," is coming to town this Friday and Saturday, January 4th and 5th. It will be shown at the Princess Theatre. This is the show that rocked Broadway for a year. In its film form it has been changed somewhat, it is reported by First National Pictures, in order to offer a new mystery tangle to those who may have seen the stage presentation. That a great many have seen it is due to the fact that during the last two years eight stage companies toured this country and Great Britain, scoring a sensational success everywhere.

Watch Night Service

The annual Watch-Night Service in Christ Church was entered into with great fervour. Rev. Wm. Coutts of Cooke's Church delivered a very able address before twelve o'clock, and with great earnestness directed the thoughts of the people towards those elements which must be present if the New Year is to be better than the last. After midnight Rev. A. N. St. John addressed the congregation in a most helpful manner. He spoke briefly but his message was stimulating and very suitable for the occasion. The devotions were led by the Rector, Rev. A. S. Mitchell, who, in a few words welcomed all visitors from other churches and thanked the speakers for their helpful addresses. The hearty singing and responses by the congregation suggested how much the service was appreciated.
