Christie's Biscuits

The Standard of Quality Since 1853

One important thing about Christie's Soda Waters is that their excellence never varies. They are always crisp and crunchy—always fresh and pure.

In the store or on the phone, always ask for Christie's Biscuits

OWL LAFFS

(ON WITH LAUGHTER)

Peter was playing at Johnny's house. When it was time to go home he started to run. Mrs. White, however, Peter John's "vainest and most foolish" friend, called him back. "Don't take so much trouble, Mrs. White," said Peter, "I'm sure your mother would do as much for Johnny, she replied. "My mother would do more," said Peter. "She'll ask Johnny to stay for supper."

May: "So you had a letter from the college boy?"
Tess: "Yes, he wrote an ast me if I get home all right from the time he took me to."

A friend is one who pretends not to have heard of you and three months later tells you he has.

A hick town is a place where a hick seems taken.

You can easily tell the modern mother and her child. The mother is the one who looks at the clock; the child is the one who looks at the mother.

The Capital of the Empire

A. G. H. Hicks in the New York Journal (London): A thorough political and economic analysis of the transfer of the capital of the United Kingdom to London, and not to the present site of the city, is a matter of great importance.

MATRICATION

(Juniors and Seniors)

A fifteen-year boy did this straight from Entrance. A farm boy of 18 not only did it but took 16 honors. Ask for "Steps to Success," and reliable advice.

LAXATIVE FOR BABY THAT "STAYS DOWN"

Baby's tiny system rebels against castor oil and strong purgatives. But here's a medicine that soothes him. And it does the work quickly and so gently that Baby doesn't feel it. Fletcher's Castoria is soothing, coats the bowels and children to sleep and making the feverish, constipated, upset ones well and happy in millions of homes today.

Too Much ACID

PHILIPS' MALT LAXATIVE

Many people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Philips' Malt Laxative. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes every trace of water in the stomach acids, and an ounce of the symptoms disappear in five minutes.

You will never use another method. And you will never suffer from excess acid again. This is your only relief. Please do this—Be sure to get the genuine Philips' Malt Laxative prescribed by physicians for 50 years in connection with indigestion. Each bottle contains 100 tablets—any drugstore.

Pressure Reverses Known Properties of Many Substances

Cambridge, Mass.—Effortless pressures have reversed a host of known properties of substances. In experiments at Harvard University, conducted under pressure in a diamond anvil, became so hard that Professor Percy W. Bridgman pronounced it harder than machine steel. It became so hard that it was pronounced as unusable as a die to form steel.

Modern Values

Edith Sitwell in the Spectator (London): Money has no relation to life at present; it has to be related to anything that has a true relation to the things which it buys.

More cups to the pound, more flavor in the cup, more tang to the taste. That's what makes Red Rose Tea so popular. Every package guaranteed.

Scottish Nationalism

Lord Allan in the Review of Reviews (London): The Scottish Nationalist movement will be seen, clearly, in that the party numbers are now in the millions, and that the party of the people, who were once a party of youth, has become a party of the people.
