Dr. Chase's KIDNEY-LIVER PILLS. "I Wonder Why" so many people suffer from indigestion when they could so easily avoid it. Burden I did the same before I found out about Dr. Chase's Kidney-Liver Pills. It is surprising how quickly Dr. Chase's Kidney-Liver Pills restore the action of the liver and bowels, and the function of the overworked kidneys, and restore the natural function of the digestive system.

WOOD'S PHOSPHORINE. The Great English Preparation. Tonic and invigorates the whole nervous system, makes new blood, restores the action of the liver and bowels, and the function of the overworked kidneys, and restores the natural function of the digestive system.

Here From the West. Mr. E. L. Morrison of Ferland, Sask., is visiting friends at Maxwell and his brother John, near Wodehouse, also his brother, Will, and his parents near Markdale. He gave The Advance a pleasant call on Saturday. Mr. Morrison spent his boyhood days at Maxwell and went to Saskatchewan over twenty-five years ago. Shortly after going West he settled on a homestead about twenty miles south of Kincaid, which is 120 miles south of Moosejaw. Recently the C.P.R. has built a branch line in from Kincaid and he now has a station and elevator within a mile of his home. What this means, only a farmer in the West knows, as it makes his land more valuable, supplies more conveniences and one is able to farm more extensively. It also does away with long trips to town for himself and family. Mr. Morrison is one of Osprey's many sons who have worked hard in the prairie provinces and has now returned. His many friends in this locality are pleased to renew acquaintance again and to know that he is intending to move his family east for better educational facilities in a small town can be secured in the vicinity of a high school.—Fletcher-ton Advance.
