The Ronspeil

The local curlers staged the annual ronspeil this week and added another success to their efforts. Sixteen rinks participated, three from Owen Sound, one from Chatsworth, three from Shelburne, one from Rockley, and eight from the local club.

The new skating rink was used for some of the games Tuesday and Wednesday as well as the club's own rink.

In the First Event, in which all participated, McNeill's rink won from Kennedy's rink (both Owen Sound) in the final and the first and second prizes go to the scenic city. They were for Rogers Silver Brake Dishers for first and four Bridge lamps for second prize.

In the second event White of Shelburne and Mervin played in the final, the former winning. Thos. White and W. Johnson were to have met, but the Shelburnites left the rink to get supper and the Owen Sounders, in order to catch the night train home, were compelled to default and took the second prizes.
