MARKDALE LOCAL NEWS

Watch your step.

February, 1929, is gone.

Read the advertisements in The Standard and patronize the local merchants.

Mr. and Mrs. F. W. Cutting visited with the latter's parents in Chatsworth this week.

Dyes for the spring—Diamond, Sunset, Dyola, Elkays, Putmans, Rit and Turkish. R. L. Stephen.

Misses Margaret Moody and Florence Colgan of Dundalk visited over the week-end with the Colgan girls in town.

Mr. P. J. Thompson spent a few days with his mother who suffered from a stroke last week at her home in Toronto.

Miss Alma McDowell of Toronto is a visitor with her sister, Miss J. McDowell, Principal of the High School staff.

Having installed a large machine we are now prepared to do grain chopping to the King's taste and our charge is only six cents per bag. W. G. Lee, Markdale.

Rev. and Mrs. Gosse of Owen Sound were guests of Mr. and Mrs. Hugh Mercer over the week-end. The former had charge of the services in Christ Church on Sunday.

Quite a number went to Owen Sound on Monday to see the Greys defeat the Rangers of Toronto. The score was 4 - 2. The Toronto team won on the round by 8 to 6.

Among those here from Flesherton on Saturday for the funeral of the late Elmer Tuck, were Messrs. Alex. McEachnie, G. B. Welton, Hazel Freeman, Jack Perkins and Harry Gorrell.

At the regular meeting of Saugeen Lodge No. 327, I.O.O.F., next Monday evening several candidates will be initiated. The members of the lodge are asked to be present and to provide lunch.

A break in the hydro wires opposite the House of Refuge caused the power to be shut off for several hours on Wednesday. As a result The Standard is a little behind time in getting into the post office this week.

The first game in the local hockey league schedule took place on Wednesday evening of last week, when team number 1, captained by A. E. Hunt, defeated team number 3, captained by H. H. Mercer, by a score of three - nothing.

Messrs. J. A. Parker of Goring and R. D. Carruthers of Wodehouse went to Toronto on Tuesday to attend the Good Roads Association meetings. The former is Superintendent of Euphrasia road system and the latter one of the Councillors.

Mr. Percy Sims, who sold the dray and cartage business to Mr. Ben Summers a couple of years ago, has repurchased and will take charge on March 1st. Mr. Summers has been unwell for some weeks and will take a rest before going to work again.

The names of the Wardens of Grey County since 1854 have been published in nearly all the papers in Grey County during the past few weeks and in every case, excepting in The Standard, the Warden for 1905 is given as John McArthur of Egremont. This is not correct. Mr. McArthur was a merchant at Priceville and was the father of Dr. J. A. McArthur of this place.

At the Council meeting on Monday evening a letter was read asking for the co-operation of the Councillors with the Women's Institutes in the neighborhood in providing a rest room for women. The matter was referred to a committee who will look into the possibilities. Such a place, with proper accommodation, would be a boon to those who make Markdale their shopping centre.

A rink of Markdale curlers went to Owen Sound on Monday, chiefly to see the hockey match, but filled in the time at the curling rink and, incidentally lifted the Lemon trophy. The shield was defended by one of the best rinks in the city, namely: Ed. McDonald, R. Borden, T. Hall and C. Buzza, and the Markdalettes are quite jubilant over the victory. The rink was Messrs. A. C. Stewart, W. J. Plewes, C. R. King and H. McInnis.

An inspector representing the Underwriters was in town Monday afternoon and gave the local waterworks system and the fire brigade a thorough test. Everything was found in good shape and the pressure of the water was quite satisfactory. A peculiar thing happened when the water was first turned on. The hose was full of frost and the spray which first entered the hose turned immediately into a snowy substance and clogged one length. Before a stream could be thrown the length had to be discarded.

Spring Tonic for Cattle and Horses—Epson and Glauber Salts, Copperas, Gentian, etc., and all prepared tonics. R. L. Stephen, Markdale.

The thaw Tuesday followed by frost early Wednesday morning has left the roads in a slippery state, and has made business for the blacksmiths.

Mrs. Harold Thibaudeau, recently married, was the guest of honor at a shower held at the home of Miss Alma Purvis on Friday evening last, when the young people of the village expressed good will by a generous donation of miscellaneous articles. The neighbors on the West Backline treated Mr. and Mrs. Thibaudeau in the same manner on Wednesday evening of last week.

Markdale curlers made a pretty fair showing in Toronto last week. The rink composed of Messrs. J. R. Dillon, A. W. Sproule, A. Jackson and W. Jackson won several games against strong opposition and were defeated on a fluke by a rink from Bobcaygeon. In one of their games they won from a strong Toronto rink by 21 to 0. Messrs. H. H. Lucas, D. A. Jackson, Dr. J. A. McArthur and R. L. Stephen also won out against one of the strongest rinks participating in the big bonspiel.

Let us renew your daily papers for you. We can save you a little money by doing so.
